

ICSCC Memo #10, December 2006/January 2007

The Official Publication of the
International Conference of Sports Car Clubs

In This Issue:

- 2006 Awards
- Rule Changes for 2007
- 2007 Race License Application and Medical Forms

President's Message

Wow! This year flew by: I can't believe it's almost 2007!

The Fall meetings and 50th Annual Championship Banquet were completed in high style. More than 225 people attended, and as usual, DeeAnn Lensen did a fantastic job planning and setting up the festivities. Cheryl Gilbert picked out trophies and coordinated the song selections for each class champion, and Peggy Walker gathered driver prizes and registered evening guests. **Congratulations to all the 2006 award winners.**

The Contest Board met Saturday morning and voted on the 2007 rule change proposals. Results are included in this Memo. Several class changes were approved by the E-Board. F2 was eliminated as a provisional class and Sport BMW was eliminated as a championship class. Honda Challenge 4 and Club Spec Miata had enough entries in 2006 to become championship classes, but Honda Challenge 1 will remain a provisional class. A proposal to move Pro-3 back to Group 1 from Group 4 was approved by the E-Board. This means that **Pro-3 drivers** will once again need to get their License applications in early and work with the License Registrar to resolve any number conflicts. Actually, it would be a good idea for **all drivers** to get their applications in early. Last minute requests for licenses can be a real pain (and inconvenience) for the License Registrar. Remember to **please allow 15 days for processing.**

At the conclusion of the Fall meeting, elections were held for the 2007 Race Steward, License Director, and President. Ron Muro will be your 2007 Race Steward and Greg Miller will step in as License Director. As for President, it looks like you're stuck with me for another year. I want to personally thank each and every ICSCC official for working

with me this year. Your dedication is unparalleled and truly appreciated. You are the reason ICSCC continues to be successful.

I always thought the off-season was supposed to include some time to rest, but judging by the number of phone calls and emails I've been receiving, some of you can't seem to wait for next season to get here. I love your enthusiasm, but the 2007 schedule will not be finalized until mid-January! I can tell you that there will be two Enduros (CSCC in March and IRDC in October) and the possibility of even more championship races than last year. Stay tuned . . . your 2007 Memo #1 will contain the full schedule of events.

Next season is officially our 50th Anniversary (1957-2007). The ICSCC 50th Anniversary Committee is working to collect and preserve as much Conference history as possible. Since ours is mainly a volunteer organization, and volunteers have a tendency to come and go, pieces of Conference history have also been scattered around. Please help us recollect the missing pieces. If you think you have something important stored away, let us know. Feel free to contact me by email at racing2132@aol.com or by phone at 503-297-8118. You can also reach George Burgesser by email at geborges@hughes.net.

Finally, the Heinrich household wishes you and yours the merriest of holiday seasons and a healthy and successful New Year.

See you in 2007.

Linda Heinrich

50 YEARS OF FUN!!!!

This year's banquet was another huge success to cap off what was a great season of racing. There was pretty much standing room only and DeeAnn and Peggy did a fabulous job of putting on a great party and celebration for all. Thank you two so much!

The total 2006 worker fund donations from the drivers amazed me. I thought last year would be hard to beat, but this year donations topped \$14,000. The clubs did a great job of administering the funds and I thank them for helping to take care of the workers and volunteers. I would also like to extend a thank-you to the clubs for again supplying hotel rooms for our out-of-town workers. It is greatly appreciated.

This year 58% of our ROD Members received awards. That percentage is quite high, considering the cost of fuel, new jobs, health issues, and a very hectic schedule for the last part of the season, to name but a few obstacles.

This year we again had drivers present the awards to the workers. They are the ones that we do this for and we truly enjoy their participation. I would like to thank them for their contribution to the ROD Awards.

The following is a list of the ROD Members who achieved the various award levels, and I would like to extend my thanks to everyone who helped make this a super year.

A long-time pillar of Conference announced his retirement from racing at the banquet this year. Bill Vine will be missed by his many appreciative novices and the racing community at large. Thank you, Bill, for your many years of tireless effort on behalf of your club and Conference!

Another excellent banquet! Thank you DeeAnn Lensen, Peggy Walker, Cheryl Gilbert and everyone else who contributed to bring us yet another elegant and memorable evening!
