

ICSCC Memo #1, February 2006

The Official Publication of the
International Conference of Sports Car Clubs

In This Issue:

- 2006 Competition License Application & Medical Forms
- NWERS / IRDC 4 Hours of Pacific Raceways Race Announcement
- Worker Fund Summary Reports from ICSCC Member Clubs
- META "WAV" Raffle Announcement

President's Message

The year was 1957. I was in the first grade at Frances Willard School in Eugene, OR. Our family had just purchased a new black & white television and I was enjoying shows like Howdy Doody, Highway Patrol and Wagon Train. (And no lawyer commercials!) The only car I knew much about belonged to my parents. It was a dark blue Pontiac, used mainly by my Dad during the week as transportation to and from work. My Mom drove it to the grocery store on weekends. My friends and I still walked to school, but in our free time we rode around the neighborhood with playing cards in the wheel spokes of our bikes. Life was simple.

Unknown to me, around the Pacific Northwest there were many car enthusiasts wanting to test the limits of the fastest automobiles of the day. Tracks were springing up everywhere. On some weekends, the Abbotsford airport was temporarily transformed into a racetrack. Other tracks specifically built for racing were beginning to emerge. A few hallowed tracks even closed. I'm not sure exactly why it happened (rumor has it that disagreements with SCCA fueled the change), but early in 1957 the International Conference of Northwest Sports Car Clubs (ICNSCC) was formed. The first sanctioned race event for the new Conference took place in April that same year. The rest, as they say, is history.

This year, 2006, marks a milestone in Conference history. It is our 50th year as a racing organization. That's a long time for any organization, let alone one that is staffed and run primarily by volunteers. It takes a common goal pursued with passion and dedication to achieve this level of success. And it takes individuals and groups willing to change with the times to keep it growing and moving forward. Even though I believe Conference is strong and healthy, we continue to face challenges. Some of those will be the subjects of future President's mes-

sages. But for just a moment, let's celebrate what we have already accomplished as we get ready for another season of racing.

The Conference Spring Meeting was held on January 14th. Our 2006 race schedule was finalized; you will find it printed elsewhere in this Memo. The season begins and ends with an Enduro. There is a 4-hour event March 12 at Pacific Raceway and the traditional 8-hour event in Portland October 21. The rest of the season has 13 championship races happening in 11 weekends. Yes, this means we have two double race weekends scheduled this year! One is in Spokane; the other is Labor Day weekend in Mission. While there is still some uncertainty surrounding the track in Spokane, I hope everyone will put these two weekends on their racing calendar. They will be especially important for those considering a championship run this year. SCCBC has not offered a double race since I've been racing. River's Edge is a fun track; come support our friends to the North. And double races are a great way to get "a big bang for your racing buck!"

You will not be seeing many new faces this season among the ICSCC Officials. Most names will sound strangely familiar. I know a GOOD TEAM when I see one, and most of Dan's appointees have agreed to stay on for another term. This is lucky for me, and good for all of you. But plenty of help is still needed; so if you are interested in getting involved, please don't hesitate to let me know.

Art Metz has moved into the Race Steward position this year, and Ron Muro (Mr. Olivia) will be his Assistant Steward. I had a chance to see them in action at the 2005 Cascade Enduro, and I am confident they will be a strong duo, acting fairly and consistently to uphold the rules of Conference.

Continued on page 3...

ICSCC Officials 2006*

Please respect our volunteers—no calls or faxes after 9 p.m.

President's column, continued...

The latest official to come on board is Bob Spreen, who has agreed to be a Vice-President. Bob is highly regarded by everyone. I value his opinion. He sees things clearly and offers up good advice. Can a President ever get too much good advice?

Finally, you may have noticed the switch. Dan and I have traded jobs. Dan will be both my Advisor and the Treasurer for ICSCC this year. It's not a bad deal having a live-in mentor and consultant. But there is one thing he adamantly refuses to help with: "NO MORE PRESIDENT'S MESSAGES!" We'll see about that. I had to read his; it's only fair he should read mine.

Here's to celebrating 50 years of racing,

Linda Heinrich
ICSCC President

Steward's Soapbox

Welcome to the 2006 season of ICSCC Championship road racing. It may be a *little* early to say the season has begun, but time flies when you're having fun – or getting your car ready for its first session of the year.

And say hello to the new race steward team for 2006. That would be Ron Muro, Assistant Race Steward, and me, Art Metz, Race Steward. I'm very pleased to have Ron working with me this year. Ron is well known, has a great attitude, and lots of driving experience – plus he has a cool golf cart for us to ride in at the races.

Conference's decision to create the steward / assistance steward team is a really great program. My hat is off to all our predecessors who stepped up to the plate with no practice swings. I can only imagine the steepness of their learning curves. Not only does this format give us steward-types some practice at what to do and how to do it, but we also have the opportunity to provide Conference racers with much more stability in rules interpretation and enforcement from one "administration" to the next. Ron and I will be working together to not only interpret and enforce the rules (read give out tickets), but also to help and have fun with all the racers. We're committed to helping keep Conference racing the best place to be with your race car.

As usual, the new rule book will reflect a number of changes, so be sure to review everything. Some changes include the showing of a standing white flag at all turn stations for the first lap of practice sessions, and the showing of a standing yellow flag at all turn stations for the initial pace lap of a race. These rules were additionally defined to be sure all tracks use the same procedure. And for you Club Ford folks, be aware that the ban on aluminum cylinder heads has been lifted.

At the beginning of the season it's probably helpful for all drivers to re-remind themselves that over the winter, in the cool damp air of the beautiful Pacific Northwest, things get rusty. This rust may attach itself – even in the thinnest layers - to a driver's skill and comfort levels for the first few laps of a Spring race. Beware of rust.

Rust or no, it will be great to see all of you again. Everyone in Conference and all the clubs will be working full-tilt to be sure we have another great season. I know Ron and I will.

All the best,
Art Metz
2006 ICSCC Race Steward

Spare Parts ICSCC (and related) News

The 2006 Competition License Application is included with this issue. Your **mailing label indicates whether you are required to have a medical exam** this year; regardless of whether a medical exam is required, you must submit page 1 of the medical form (Medical History) with your application. All the forms are also available on the ICSCC website. Please **be sure to use the current form**, as it is not the same as previous versions. Note **changes to some race groups and classes**, as well as the **Novice number range (now 300-499)**. If you have any questions about licensing, contact the License Registrar, Olivia Muro, at 503-665-0785 or email OliviaConLicense@msn.com.

The first competition event of the 2006 season will be the NWERS 4 hour Enduro at Pacific Raceways. The announcement for this event is in this issue, and full information including schedule, paddock map and supplemental regulations are on the NWERS website: www.nwers.com.

ICSCC Officials have been updated for 2006, and are (as always) listed inside the front cover of your Memo. Please note changes for this year, and also that once again we are in need of a Sound Control person.

In this issue you will find the first annual publication of the ICSCC member clubs' accounting of funds donated by drivers for worker appreciation programs. At this point there is no set format for these reports. If you have any questions about any of the reports please contact a representative of the club in question.

Hubbard/Downing Inc. Announces the HANS, Head and Neck Support® to be custom fitted and expertly serviced locally to Northwest Racers

For the first time since the inception of the HANS® device in the mid 1980's, a nationwide servicing dealer program has been introduced to bring the information and expertise necessary for proper fit and selection of this important safety device directly to the racer. Recognizing the need to explain, demonstrate, custom fit and sell the HANS® device, a search began in 2002 to locate just the right company to present the device to the Pacific Northwest racing community.

After a very careful search, **Armadillo Racing Enterprises of Bremerton Washington** has been selected to represent the HANS® device to racers in Washington, Oregon, Idaho, and Montana. "We are honored that Hubbard/Downing has selected our company to bring the HANS® device to northwest racers. They set very high standards because of the serious nature of driver safety and because of the need to be sure the correct model of the device is properly fitted to the exact need of each racer. Our 17 years in the safety equipment business, selling and servicing racers trackside through our 28 ft. showroom/trailer and our respected business reputation was the reason we were chosen."

In addition to representing the HANS® device, Armadillo Racing is your complete trackside store featuring these great products: Red Line Oil (most all oils and gear lubes in stock including Water Wetter), Safety Equipment (Bell, Simpson, Bieffe, Momo and OMP helmets, gloves, shoes, suits) and featuring Carbon-X Underwear; Goodridge Competition Plumbing; Numbers, Letters, Nuts and Bolts, stop watches, brake pads, Mechanix Wear gloves, chemicals, too much inventory to list. They also carry a great selection of racing books and fanwear. If you need it, there is a good chance ARE has it at the track on race weekends.

"Andy supplies great products at reasonable prices and has an amazing inventory at track side."

— **Alastair Lockett** '67 Mustang SPO

"Armadillo Racing & Andy Collins is Great! What's better is dealing with real people, selling real products, and being local to boot. Thanks, gang, for being there and providing the support, education and experience." — **Rob Barker**

"Andy is fair and good to deal with. Good to work with an honest person that will work with you." — **Phil Edwards** RX-7

ICSCC 2006 PHYSICAL EXAMINATION FORM FOR COMPETITION LICENSE

(To be filled out by the examining physician)

Dear Doctor: This candidate wishes to take part in motor racing events in which he/she will drive a high performance car under the most exacting and stressful conditions. Examine him/her carefully and critically, and recommend him/her if medically fit to drive without danger to himself/herself or to others. If you are not sure of this decision, please indicate below for review of this applicant's suitability by an appropriate officer of the licensing body.

CSCC Worker Fund

Cascade's worker Fund from Drivers' donations for 2005

Cascade had donations from drivers at the races in the amount of \$5250.00 for 2005,
And the amount that was spent on worker rewards and expenses was \$4,255.00.
The amount that is left over from 2005 will be used at the first race of the 2006 season.

The monies were spent on a variety of things.

Lodging
Worker Raffle
Worker Fuel
Long Sleeve Tee Shirts

Thanks to all Drivers
Cascade Sports Car Club

SCCBC Worker Fund 2005

| | |
|-------------|----------------------------|
| April 23/24 | \$75 |
| July 23/24 | \$444.75 cdn + \$275.00 us |
| Sept 3/4 | \$622.50 cdn + \$323.00 us |

\$250 was requested by the volunteers to pay hotel/travel costs in 2005 and paid out of the fund.

The SCCBC continued to pay for volunteers lunches on both Sat and Sun, along with dinners on Sat, and goodie packs given to the volunteers at registration (goodie packs have included items such as coupons, snacks, plaques, mugs and pens). These costs have not come from the worker fund.

A committee of volunteers and drivers has been formed to manage the worker fund and will be meeting Jan.

Kevin Skinner SCCBC.

Team Continental

Revised Memo Classified Ad Policies, effective Memo #1 2006:

Non-commercial ads are free to Conference licensed drivers, officials and workers. **Henceforth, maximum ad length is 100 words: longer ads will not be accepted.** To place an ad in the Memo and/or on the ICSCC website, contact the Memo editor at 604-882-8078 or (**much preferred**) by email at icscc@telus.net. Proof your ad when it first appears – it is presumed correct unless the editor is notified in writing! Ads run for three issues, then are automatically cancelled unless renewed. Numbers at the end of the ad show when it began: 1/06 means first issue of 2006, and that ad will expire after issue #3 of 2006. There are 10 issues per year. **To change an ad you must re-write it and submit the new wording in its entirety.**
