President's Message

I hope everyone enjoyed a pleasant 4th of July (1st of July in Canada!), and that all those illegal fireworks you set off didn't catch anything on fire! It's officially Summer, and for me that's supposed to mean a little time off to relax. But I'm still working on school projects (don't believe what you hear - teachers don't get summers off!), Dan and I are excited about starting construction on our new house, and of course, there is lots of Conference business to attend to. We've even joked that we're almost too busy for the **fun part** – actual on-track **racing!**

Right now, it's three down, ten to go (six and seven, by the time this is distributed—Ed.). (No, it's not football season, or is it? Passing and punting did flash through my mind when I thought about this phrase!) By the time most of you read this, we will have completed half of our season. Then we'll be headed into the 'Fast and Furious' portion of our schedule with 2 races in August and 5 races in 4 weekends in September. We cap off the year with the Cascade Enduro on October 21st.

That is a lot of racing in a short period of time, but I encourage you to make as many of the races as you can. Even if you aren't driving your car, why not come out for the day and help your club. By the end of the season our workers have been stretched pretty thin. Between Conference events, SCCA races, CART, Sovren, motorcycles, karts, and more, many of them have worked nearly every weekend of the racing season. I'm sure they would appreciate your help and support. And it would be a great opportunity to learn more about the operation of our

race events from a whole new perspective. I know that after watching our workers respond to an incident at PIR during CART weekend, I walked away feeling very comforted and safe knowing they are there for us. They are amazing and dedicated people. Interesting and funny, too! Remember, without all our volunteers, we couldn't be racing.

Soon, it will again be time to submit and vote on new rule proposals for next year. One of the founding principles of Conference was the belief that drivers should have a say in creating the rules that directly affect them on track. This is your chance to make changes. So consider this a friendly reminder to start thinking about how you want to improve our competition regulations. Now is the time to be discussing potential rule changes with your fellow drivers and then talking with your Contest Board Representatives when they schedule club meetings.

Ideas for improving other aspects of Conference are also welcomed. I have heard from several of you already. Keep the ideas coming. To grow, we have to continue to look for ways to do things better. Feel free to call me at 503-297-8118 or send an email to racing2132@aol.com.

Well, I'm off to Mission for a weekend of racing. After that, I'll see you in Spokane.

Happy Racing,

Linda Heinrich
ICSCC President

This schedule forms part of the Supplemental Regulations

Steward's Soapbox & Penalty Box

The ICSCC Race Steward is unavailable to write his usual column and the Penalty Box this month. He, and they, will return soon.

Wanted: 1995 post-dated Conference helmets. They are still legal for club events. Contact Phil Edwards at 206-226-4915 or superalfa@aol.com

SCCBC Event Supplementary Regulations 2006

Your application/entry to the event constitutes acceptance of these Supplementary Regulations. Infractions will result in penalties being assessed to the driver.

1. All events are to be held on the Mission Raceway Park road course in a counter clockwise direction.
2. All events will be timed & scored by the AMB Transponder System. Race cars must have a suitable transponder installed and operating in each session.
3. Open to cars eligible under ASN Canada FIA, CACC, SCCA or ICSCC current regulations.
4. Insurance shall be as per ASN Canada FIA and CACC regulations or ICSCC as applicable.
5. All competitors, entrants, crewmembers and guests must sign the official release agreement and waiver.
6. All minors (under 19) require a signed "minor waiver" for each event (available at Registration).
7. Minors (16 and over) are allowed to be in hot pits **provided** a parent/legal guardian has signed the appropriate minor waiver.
8. NSF cheques will be charged an additional \$25.00 Canadian fee.
9. Competitors affected by a race cancellation will be notified by telephone, if possible, or by first class letter.
10. **Consumption of alcohol during an event is NOT PERMITTED at Mission Raceway Park! You are responsible for the behavior of your crew and guests.**
11. Registration & Tech hours and procedures for handling Late Entries as per the race announcement.
12. Driver Services and the Official Notice Board are located in the SCCBC Clubhouse near Pregrid.
13. Novice/License Director will be located just west of the entrance to pit lane.(ICSCC-Pit 1/ CACC-Pit 77)
14. No racing engines may be started prior to 8:50am. Warm as quietly as possible until 9:00am.
15. The scales will be open Saturday from noon and Sunday all day.
16. No skateboards, scooters, or roller blades. Bicycles and small motorized vehicles allowed by permission of the Race Chairmen only. Permission may be withdrawn at any time. **NO ONE UNDER 16 IS ALLOWED TO OPERATE A MOTORIZED VEHICLE!**
17. Both front paved lanes in the Paddock area run EASTBOUND after 8:50am. Rear lane is two way. Speed Limit: SLOW - excessive speed will be subject to penalties assessed by the Race Chairmen.
18. Refueling not allowed in Pregrid. Fueling in the Hot Pits requires a crewmember assigned only to manning a fire bottle.
19. NO SMOKING allowed in Hot Pits, Pregrid, or any Mission Raceway Park Building, no animals allowed in Hot Pits or Pregrid.
20. The Hot Pit speed limit is Fifty (50) Kilometers per hour (30 mph). The Hot Pit Lane ends at the Starters Tower.
21. Only ONE support vehicle allowed in Paddock/Pit area. Roads **MUST** remain clear. All Support vehicles and trailers must be parked perpendicular to the track unless permission is obtained in writing from the organizer.
22. No race vehicle may exceed 95decibels (db) measured at 50ft. from the racing surface. Readings will be taken at an acceleration point. Cars exceeding the db limit will have one or more of their Qualifying times in that session erased, or be *disqualified* from their race.
23. Damage to track, grounds, buildings or equipment, regardless of cause, will be charged to the driver responsible. Damage to paved areas may result in fines. You are required to protect the asphalt from damage by jacks, jack stands, poles, etc.
24. If entries exceed the number of cars allowed on the track (determined by the Race Chairmen) for a particular group, drivers and cars entered, as an "additional entry" will be restricted from participating, based on the date the entries were received. This is in order to allow participation by those for whom the event is their primary event, including novices upgrading to a championship event.
25. All entries for this event shall present, at tech inspection, empty sealable container(s) marked with the driver's name and number, capable of holding 8L. (2 gal.) of liquids. These are to be used to hold all oil, cleaners, brake fluid, etc. There are recycling containers for these fluids along the back road of the paddock near the garbage cans.
26. All hazardous waste spills are to be reported to the Race Chairman. Anyone caught dumping oil will be FINED and BANNED from the raceway. There are recycling containers for these fluids along the back road of the paddock near the garbage cans.
27. **DO NOT BLOCK THE PAVED PADDOCK LANES DURING RACES.** Trailers may be loaded at the back of the paddock.
28. **Tire scrubbing is not allowed at any time during practice or qualifying sessions.** Scrubbing is allowed only on the pace laps preceding the initial green flag starting a race, or under pace car control.
29. The importation and use of leaded fuels for use in motor vehicles is permitted in Canada only for use in racing vehicles. Leaded fuel is not available for sale at gas stations in Canada.
30. No open fires anywhere! Barbecues will be the only exception as long as they are away from any combustible source such as gas cans, gas tanks or fuel cells, etc.
31. No overnight camping at the track Sunday night without permission, please contact the SCCBC President.
32. **Gates are locked for the evening at 10:30pm and reopened at 7:00am.** In case of emergency please call the emergency access number posted on the inside of the front gate. There is a pay phone at the far east end of the spectator parking lot.
33. Long pants, sleeved shirts, closed toe shoes, and visible wristbands are to be worn in the Pregrid, Hot Pits and Impound areas.
34. Cars arriving at Pregrid after the 5-minute warning will be put at the back of the grid
35. All pets must be on a reasonable length leash while on site.
36. Late Registrations on Sunday MAY be accepted, at the Race Chairmen's discretion.
37. **BLEND LINE.** On entering the track, keep **four (4) wheels** to the right of the solid line, **two (2) wheels** to the right of the dash line.
38. Entrants in the Solo 1 group must comply with all sections of the 2006 CACC Solo Events Rules, Section 4, pertaining to Hillclimbs

Thank You – Tom Roy; SCCBC Race Chairman 2006

Spare Parts ICSCC (and related) News

The 2007 rule change proposal format, to be used for proposing changes to the ICSCC competition regulations to take effect in 2007, is in this issue of the Memo. It can also be found, along with blank templates for drafting proposals, on the ICSCC website on the Forms page.

Note that no explanation on the intent of, or rationale for, proposed changes will be published as part of the official rule change proposal documentation. The ICSCC Drivers' Meeting web forum welcomes such discussion, and the Memo Editor will publish letters on rules or any topic, subject to space availability and common editorial considerations (including brevity, clarity, etc.).

Mission July 8/9 race results should have been published in this issue of the Memo, but due to the very short time between the race and the print deadline this was not possible. The Memo Editor apologizes for any resulting inconvenience. These race results are available on the ICSCC website (www.icssc.com) and will be published in Memo #7.

Hubbard/Downing Inc. Announces the HANS, Head and Neck Support® to be custom fitted and expertly serviced locally to Northwest Racers

For the first time since the inception of the HANS® device in the mid 1980's, a nationwide servicing dealer program has been introduced to bring the information and expertise necessary for proper fit and selection of this important safety device directly to the racer. Recognizing the need to explain, demonstrate, custom fit and sell the HANS® device, a search began in 2002 to locate just the right company to present the device to the Pacific Northwest racing community.

After a very careful search, **Armadillo Racing Enterprises of Bremerton Washington** has been selected to represent the HANS® device to racers in Washington, Oregon, Idaho, and Montana. "We are honored that Hubbard/Downing has selected our company to bring the HANS® device to northwest racers. They set very high standards because of the serious nature of driver safety and because of the need to be sure the correct model of the device is properly fitted to the exact need of each racer. Our 17 years in the safety equipment business, selling and servicing racers trackside through our 28 ft. showroom/trailer and our respected business reputation was the reason we were chosen."

In addition to representing the HANS® device, **Armadillo Racing** is your complete trackside store featuring these great products: Red Line Oil (most all oils and gear lubes in stock including Water Wetter), Safety Equipment (Bell, Simpson, Bieffe, Momo and OMP helmets, gloves, shoes, suits) and featuring Carbon-X Underwear; Goodridge Competition Plumbing; Numbers, Letters, Nuts and Bolts, stop watches, brake pads, Mechanix Wear gloves, chemicals, too much inventory to list. They also carry a great selection of racing books and fanwear. If you need it, there is a good chance ARE has it at the track on race weekends.

"Andy supplies great products at reasonable prices and has an amazing inventory at track side."

— **Alastair Lockett** '67 Mustang SPO

"Armadillo Racing & Andy Collins is Great! What's better is dealing with real people, selling real products, and being local to boot. Thanks, gang, for being there and providing the support, education and experience." — **Rob Barker**

"Andy is fair and good to deal with. Good to work with an honest person that will work with you." — **Phil Edwards** RX-7

CSCC Supplemental Regulations 2006

Infractions will result in penalties assessed to the driver.

1. Open to cars eligible under ICSCC current regulations.
2. This event is organized under 2006 ICSCC Competition Regulations, and all who enter PIR are subject to them. Cascade Sports Car Club reserves the right to refuse entry to this event or to PIR at any time.
3. Alcoholic beverages allowed in the *beer garden area only*, and only after the track closes. **You may not bring alcohol into PIR!** This is an Oregon Liquor Commission requirement. Any person caught bringing alcohol into PIR will be *banned from the raceway*.
4. Registration closes at 1:30 pm Saturday and at 10:00am on Sunday.
5. Competition numbers must be readable: Section 1106 enforced.
6. Late entries handled according to ICSCC rules. Entries received after the postmark deadline will be charged \$50.
7. Under 18 years old not allowed in hot pits, pre-grid or on victory laps. Under 12 must have direct adult supervision at all times.
8. A current and properly completed minor release form, signed by an authorized adult, must be on record for all minor participants brought into PIR.
9. The scales will be open Saturday from noon and Sunday all day.
10. **No skateboards or scooters allowed in the paddock area. Users of bicycles and small-motorized vehicles may have riding privileges revoked at any time by the Race Chairperson.**
11. Refueling not allowed in pre-grid. Fueling in the hot pits requires a crewmember assigned only to manning a fire bottle. Excess spillage will result in a penalty.
12. *No smoking* allowed in hot pits, pre-grid or *any* PIR building.
13. Only one support vehicle allowed in paddock. Pit and pre-grid roads must remain clear.
14. Noise rule ICSCC 1112 enforced! 103 dB at 50 ft.: *no exceptions!*
15. Oregon State Law requires functioning mufflers to be used at PIR. Functioning mufflers must be capable of reducing sound energy by at least 5dB at trackside. Cars losing mufflers, even if they are still below the sound level, will be black-flagged immediately.
16. Damage to the track, grounds or buildings, regardless of cause, will be charged to the driver responsible. Also, damage to any equipment or devices used by the sanctioning body (ICSCC) or sponsoring club (CSCC) to conduct this race, regardless of cause, will be charged to the driver responsible.
17. Family and crewmembers of drivers are to contact the landline communication person at pre-grid with any questions regarding their driver or car.
18. All entrants for this event shall present at tech inspection an empty, sealable container or containers, marked with the driver's name and license number, capable of holding 2 gallons of liquid. These are to be used to remove all oil, cleaners, brake fluid, etc. from PIR. There will be no drums provided.
19. Anyone caught dumping oil at the raceway will be fined and banned from the raceway. This is a PIR regulation.
20. If entries exceed the number of cars allowed on the track for a particular event, drivers and cars entered as an "additional event" will be restricted from participating, on a first-come, first-served priority based on the date entries were received. This is in order to allow participation by all drivers for whom the event is their primary event, including Novices upgrading to a championship event.
21. NSF checks will be charged an additional \$50 fee.
22. The racing "hot pit" is defined as that area under the control of Hot Pits personnel. This area is located immediately west of the break in the concrete wall half way up the pit lane. Per ICSCC rule #1607, any person over that "pit wall" during practice, qualifying or races shall wear long pants, shirts that cover the shoulders, and shall not be barefoot or wear open-toed shoes. At the one-minute warning, pre-grid becomes a "hot" area. At that time, pre-grid must be cleared of all crew, support personnel and spectators. Notwithstanding the above, ICSCC rule #1607 does not apply to the pre-grid area.
23. All cars that are towed into the paddock area are subject to being dropped off in impound.
24. In order to receive a refund you must notify registration if you are withdrawing from the event after you have checked in at registration.

Thank you – Gary Bockman, CSCC Race Chairman

Memo Classified Ad Policies:

Non-commercial ads are free to Conference licensed drivers, officials and workers. **Henceforth, maximum ad length is 100 words: longer ads will not be accepted.** To place an ad in the Memo and/or on the ICSCC website, contact the Memo editor at 604-882-8078 or (**much preferred**) by email at icscc@telus.net. Proof your ad when it first appears – it is presumed correct unless the editor is notified in writing! Ads run for three issues, then are automatically cancelled unless renewed. Numbers at the end of the ad show when it began: 1/06 means first issue of 2006, and that ad will expire after issue #3 of 2006. There are 10 issues per year. **To change an ad you must re-write it and submit the new wording in its entirety.**
