

ICSCC Memo #8, September 2006

The Official Publication of the
International Conference of Sports Car Clubs

In This Issue:

- Results - Races #8, #9, #10 and #11
- Rule Change Proposals for 2007 Season
- ICSCC 2006 Awards Banquet Announcement

President's Message

Anyone ready for a winter break and some well deserved rest? The last few events have happened in rapid-fire succession with barely a weekend to catch up on sleep, family time, work (the kind that supports all this fun), and the inevitable car repairs. I've heard so many people say they have been towing to each event without even taking the car off the trailer, let alone fixing anything! Maybe that explains the increased attrition rate for cars lately.

Since my last message, there have been two race weekends (3 races) in Mission and one race in Portland. ICSCC had two double race events on our schedule this year. Both were very popular with drivers and workers, and both were successful for the clubs putting them on. That's what I call a win-win!

Only two championship events remain in our 2006 season. And by the time you read this, we will have closed the books on everything except the Cascade Enduro. Next up is Cascade's Doernbecher Dash, where the proceeds from several of the weekend's activities get donated directly to Doernbecher Children's Hospital. Our season ender is at Pacific Raceways. As usual, it looks like several championships may be decided at this race. I wonder who will get to experience the 'thrill of victory'?

Rule change proposals for next year have all been submitted. You should find them printed in this Memo. Please look them over, ask questions for clarification, and discuss their merits. Be an informed voter at your club's meeting. Your Contest Board Rep will carry your club votes to the Contest Board Meeting at the SeaTac Marriott on November 11, 2006. The tallying of votes will begin at 9:00 AM. (Note to Bill Hill – here's your annual reminder.)

We had hoped to include in this issue the championship points through race #11, but the deadline did

not allow the Pointskeeper enough preparation time. By the time you read this they should be posted on the website. Please check them for accuracy and report any errors to the Pointskeeper right away: these points are the basis for year-end awards and trophies, and we want to ensure all awards go to the people who should receive them.

This year's Banquet will once again be held at the SeaTac Marriott. I hope you will join us as we acknowledge our champions and celebrate 50 years of ICSCC racing. DeeAnn Lensen, our Banquet Facilitator, does a fantastic job organizing this event and she has a great evening planned for you. A full announcement and reservation form can be found in this Memo.

The Marriott has now been completely remodeled, but you will still be able to enjoy the same room rates as last year. New policies identify the hotel as a completely smoke-free building, however. There will be designated smoking areas outside the building. Tickets for the banquet will be \$40 per person, \$5 more than last year. This is the first increase in four years, but even so, you are not paying the full cost of the dinner. Conference has for years, and still does, subsidize a portion of the cost of each meal.

Finally, Conference is still looking for a few dedicated volunteers to join the executive team. The pay is not much, but the rewards are immense. If you are willing to serve as License Director or Secretary, please let me know. If you are interested in another position, I would like to hear from you also.

Here's to Celebrating 50 Years of Racing.

Linda Heinrich
ICSCC President

ICSCC Officials 2006

Please respect our volunteers—no calls or faxes after 9 p.m.

2007 ICSCC CONTEST BOARD RULE CHANGES

Page 1 of 6

YES	NO	Item #	Page #	Club	Section/ Jurisdiction	PROPOSAL
		1.	11	TC	302. A. E/C	Any person 48 <u>16</u> years of age or older may apply to the ICSCC for a competition license provided that the applicant holds a valid state or provincial drivers license, and is a member of a Conference member or affiliate club for the current year. In the event of multiple club memberships, the applicant shall select one club as his/her choice and shall name that club in the space provided on the ICSCC license application. See Section 612. The license issued will be commensurate with the qualifications of the applicant under Sections 304., 305. and 306.
		2.	24	CSCC	502. A. C	In order to qualify as a finisher, a competitor must complete not less than 50% of the number of laps completed by the class winner and receive the checkered flag . If an odd number of laps, round to the next lower number. If there is only one car in class, the competitor must complete not less than 50% of the number of laps completed by the overall race winner to receive first place trophy and points. In the event of a red flag race, see 702.
		3.	27	STEW	604. A. E	For any car competing in two or more races, a <u>A</u> separate entry form must be completed for each event class entered during a race weekend and accompanied by the appropriate fees. <u>A separate tech sheet must also be completed for each class in which a car will compete during a race weekend.</u>
		4.	30	TC	613. E	Any non-ICSCC licensed competitor entered in a Conference race must present his/her credentials to the ICSCC License Director prior to entering the race course. The following minimum requirements must be met before a non-ICSCC license holder may compete in an ICSCC race:
						A. Must hold a valid equivalent competition license issued by CACC, SCCA, NASA or FIA/ASN. Licenses of other sanctioning bodies may be honored at the discretion of the License Director.
						B. Must have proof of competing in at least four (4) <u>two (2)</u> races in the current and/or prior season.
						C. Must hold a current valid drivers license issued State, Province, and/or other sovereign nation.
		5.	36	CSCC	709. E/C	Starting procedures. All classes shall utilize the rolling start. The rolling start shall be a mass start commencing from a false grid. The driver holding pole position will have the option of choosing from which side of the false grid that he/she wishes to grid. The pace car or car in the pole position shall set the pace as directed by the starter. THERE WILL BE A SINGLE STANDING YELLOW FLAG SHOWN AROUND THE CIRCUIT FOR THE INITIAL PACE LAP. <u>No flags are displayed at any corner unless local conditions dictate the flag (i.e. a surface flag for oil).</u> The grid must be orderly, in a tight formation and be moving at a constant and moderate pace prior to receiving the

Page 2 of 6

YES	NO	Item #	Page #	Club	Section/ Jurisdiction	PROPOSAL
		5. Contd	36	CSCC	709. Contd E/C	green flag from the starter. UNLESS PROHIBITED BY SUPPLEMENTAL REGULATION, TIRE SCRUBBING IS ALLOWED ON THE PACE LAP(S) PRECEDING THE INITIAL GREEN FLAG STARTING THE EVENT and during a full course yellow under the pace car control, but not in the area under the waving yellow. (Spring 2006 Fall 2006)
		6.	48	STEW	1105. B. E	Safety belts. A 5-point seat belt and shoulder harness system is minimum in all cars. Beginning January 1, 2001 all driver restraint systems shall be no more than 5 years old from the manufacturers date attached to the belts. As some manufacturers only supply one date label per set, only one date label is required. All restraint systems shall meet SFI specifications 16.1 <u>or FIA specifications</u> and will have a dated SFI Spec 46.4 <u>manufacturer's tags verifying compliance with those specifications</u> sewn on at least one belt in the set. The certification indicated by this label shall expire <u>on the label's indicated expiration date for FIA certified systems or on December 31 of the 5th year after the date of manufacture as indicated on the label of SFI certified systems.</u>
		7.	49	STEW	1105. B. 3 E	Antisubmarine belt Driver restraint systems not meeting ICSCC specifications, but approved by SCCA are permitted.
		8.	49	STEW	1105. B. 4. E	SFI <u>or FIA certified</u> arm restraints are required and must be utilized on <u>in</u> all open cockpit cars including open Targa Tops, sunroofs and T-Tops.
		9.	49/50	VMSC	1105. D. E	Helmets and goggles. <u>Beginning January 1, 2007</u> All helmets shall conform or be equal to 1995 or later Snell Foundation specifications and meet SA certification. All helmets shall be no older than 10 years. For open-cockpit cars, full-faced helmets shall be worn which conform or be equal to Snell Foundation 1995 or later certification, with a full-faced shield. For closed cockpit cars, all helmets shall be worn with a full-face shield, approved goggles, or approved safety glasses. All helmets shall conform or be equal to SA (not M) Snell Foundation certification. Changes to this rule, relating to certification year or rating, can be made only in the year immediately following the year of a new Snell Foundation certification (i.e.: 1991, 1996, etc.). A 1" x 1" tamperproof decal with the initials "ICSCC" and the current year date, provided by ICSCC, shall be attached to the left exterior of the helmet by an ICSCC appointed official certifying that the helmet has been inspected and passed by ICSCC. Helmet stickers from other approved sanctioning bodies (SCCA, CACC, etc.) will be accepted in lieu of the ICSCC helmet sticker. The h Helmets of all drivers entering the track on a race weekend must have a valid ICSCC helmet sticker or approved equivalent. (Fall 2005 2006)

		10.	49/50	STEW	1105. D. E	Helmets and goggles. All helmets shall conform or be equal to 1995 <u>2000</u> or later Snell Foundation specification. For open-cockpit cars, full-faced helmets shall be worn which conform or be <u>are</u> equal to Snell Foundation 1995 <u>2000</u> or later certification, with a full-faced shield. For closed cars, all helmets shall be worn with a full-face shield, approved goggles, or approved safety glasses. All helmets shall conform or be equal to SA (not M) Snell Foundation certification. Changes to this rule, relating to certification year or rating, can be made only in the year immediately following the year of a new Snell Foundation certification (i.e.: 1991, 1996, etc.). A 1" x 1" tamperproof decal with the initials "ICSCC" and the current year date, provided by ICSCC, shall be attached to the left exterior of the helmet by an ICSCC appointed official certifying that the helmet has been inspected and passed by ICSCC <u>meets the date requirements of this section.</u> Helmet stickers from other approved sanctioning bodies (SCCA, CACC, etc.) will be accepted in lieu of the ICSCC helmet sticker. The helmets of all drivers entering the track on a race weekend must have a valid ICSCC helmet sticker or approved equivalent. (Fall 2005 <u>2006</u>)
		11.	50	CSCC	1105. G. E	Towing Eyes – All cars without an exposed roll bar shall have a towing eye or strap, front and rear, to be used for flat towing or hauling the vehicle. The towing eyes or straps shall be of sufficient size and design to withstand the stress exerted during towing or recovery without deformation and shall have a two (2) inch inside diameter. The towing eyes or straps shall not dangerously protrude from the bodywork while the car is racing. These towing eyes or straps shall be securely bolted in place and easily accessible without removal or manipulation of bodywork or other panels.
		12.	56	STEW	1110. D. E/C	Circuit Breakers. All cars shall be equipped with a functional master circuit breaker (master switch) which cuts all electrical circuits except fire extinguishing and life support systems. It shall be located on the exterior of the car in an easily accessible location. On closed Production, GT and Sports Racing cars, the switch shall be located either in front of the windshield on the cowl or top of the fender, or immediately below the rear window, located so as to be both easily visible and easily accessible from the exterior of the car if the car were overturned. Master electrical switches shall only have one motion to turn off (i.e. turn left but not push and turn left to turn switch off). The off position shall be clearly indicated at the switch location. Notwithstanding the above, a circuit breaker is strongly recommended, but not required on cars in the Production classification.
		13.	56.	STEW	1111. A. E/C	Every driver will be issued a vehicle log book, which shall remain with the car. If lost, the driver must replace the log book at a cost of \$3.00 <u>\$20.00</u> . Upon changing cars, <u>or if the technical inspection section of an existing log book is completely filled,</u> a driver may request a new log book at no charge.

2007 ICSCC CONTEST BOARD RULE CHANGES

Page 4 of 6

YES	NO	Item #	Page #	Club	Section/ Jurisdiction	PROPOSAL
		14.	56	STEW	1111. B. E/C	All entrants must present a vehicle log book at tech inspection: either ICSCC or that corresponding to the license under which the entrant has registered. <u>All vehicle information sections in the log book shall be completed, i.e: make of car, year, model, color, engine make/model, displacement, horsepower, race group(s), car number(s), class(es), vehicle weight (if applicable) for each class, transponder number, etc.</u>
		15.	56/57	STEW	1112. E/C	Noise Emissions. All cars shall be equipped with a functioning exhaust silencing system and unless prohibited by supplemental regulations shall meet a noise level not to exceed 103 decibels measured at 50 feet from the hard edge of the track <u>and/or artificial markers indicating track edge</u> nearest to the sound meter. The Noise Control Officer shall have the responsibility of notifying the Race Steward of violators for the purpose of black flagging (meatball flag) and/or disqualification. Any car found to be over the limit during practice or qualifying shall be corrected before being allowed to race. The ICSCC noise meter shall be the official noise meter.
		16.	NEW	CSCC	1113. E	<u>Recovery Equipment – Towing Eyes.</u> All cars without an exposed roll bar shall have a <u>towing eye or strap, front and rear, to be used for flat-towing or hauling the vehicle.</u> The towing eyes or straps shall be of sufficient size and design to withstand the stress exerted during towing or recovery without deformation and shall have a two (2) inch inside diameter. The towing eyes or straps shall not dangerously protrude from the bodywork while the car is racing. These towing eyes or straps shall be securely bolted in place and easily accessible without removal or manipulation of bodywork or other panels.
		17.	59	BMW CCA	1301. E	There shall be fourteen (14 13) categories approved for competition: Production, GT, Improved Production, Sports Racing, Formula, Improved Touring, Pro-7, Pro-3, Spec Miata, Radial Sedan, American Sedan, Super Production <u>and</u> , Club Rabbit, and Sport BMW. At all times, the burden of proof of car classification, model, options etc. shall be on the driver and/or owner rather than the Conference. There shall be no classification changes after the Spring Meeting prior to the coming season. (Spring 2006) (Fall 2006)
		18.	73	IRDC	1314. A .8. C	Data acquisition (DA) systems including wiring harnesses and sensors, even if not operational, are not allowed in CR cars during any practice, qualifying, or race. DA systems are defined as any device that records, displays or transmits data on air drag, suspension, acceleration, engine, traction, brakes and or tire performance. Simple non-recording oil pressure, oil temp, water temp., water pressure, fuel pressure, brake line pressure, fuel level, battery voltage, alternator amp output, tach, exhaust gas temp, fluid level, temp or pressure gauges, and oxygen meters/gauges with a peak level memory are allowed. "Aftermarket" lap timers that consist of an external stationary transmitter and an in-car display are allowed.

2007 ICSCC CONTEST BOARD RULE CHANGES

Page 5 of 6

YES	NO	Item #	Page #	Club	Section/ Jurisdiction	PROPOSAL
		19.	73	IRDC	1314. B. 2. C	<p>CR cars will use a spec tire on all 4 wheels at all times. Grooving of the spec tire is not allowed. If the CR spec tire becomes unavailable during a racing season, the licensed CR drivers will meet with the Race Steward and assist the Race Steward in selecting a new spec tire. If the CR spec tire changes during a racing season, the old spec tire will remain legal until the end of the season. CR drivers are required to have enough spec tires on hand to complete an event/race weekend. Failure to use the spec tire for qualifying will result in a loss of time. Failure to use the spec tire for a race will result in disqualification.</p> <p style="text-align: center;">(a) The CR spec tire is the 185-60-13 Toyo Proxes RA1. Wheels are restricted to 13" or 14" diameter. Manufacturer is free. The CR spec tire is the Toyo Proxes RA1 and must be one of the following sizes: 185/60R13, 205/55R14. Shaving of the RA1 is allowed.</p>
		20.	75	IRDC	1314. E. 5. C	<p>The stock cam may be replaced with a Techtonics "G-Grind" cam PN#109-070 <u>or a Techtonics "TT280/276" cam PN#109067.</u> (.228 degree duration, .423 lift, 16.5 degree overlap).</p>
		21.	88	BMW CCA	1316. B. 5. (a) C	<p>The engines used in Pro-3 will be stock BMW engines correct for the series in which they are installed. No internal engine modifications will be allowed except for those outlines in the SCCA IT specifications. The ECU chip may be modified or replaced with a performance chip. <u>'Piggy-back' systems may be used, as long as they are integrated with the original harness. On-board data acquisition and storage of engine parameters, as well as on-board adjustability of these parameters, is not allowed.</u></p> <p>E30 325i required engine is the 2499 cc injected 6-cylinder.</p>
		22.	91	BMW CCA	1316. B. 13. (b) C	<p>Wheel spacers of up to a maximum of 0.500" 15mm may be used.</p>
		23.	92	BMW CCA	1316. B. 15. (a) C	<p>All cars must use the correct stock rotors and calipers available for the model. Hot/cold treating of the rotors is allowed. Brake pads, linings and fluid are unrestricted. Brake lines may be replaced with metal braided lines. Backing plates may be removed or modified. An adjustable proportioning valve may be used to limit pressure. The master cylinder and brake booster must remain stock and unmodified. The booster vacuum line may be disconnected. Parking brake mechanisms and components may be removed. ABS braking systems may be removed or disabled. Air ducts may be used for brake cooling. All brake-related traction control systems and devices must be removed or disabled.</p>

2007 ICSCC CONTEST BOARD RULE CHANGES

Page 6 of 6

YES	NO	Item #	Page #	Club	Section/ Jurisdiction	PROPOSAL
		24.	93	BMW CCA	1316. B. 16. (a) C	Suspension modifications are restricted according to SCCA IT category specifications. Sway bars, strut housings, shocks, bushings, strut tower braces, camber plates, spring and spring perches, may be modified or replaced in accordance with these specifications. <u>Minimum ride height shall be 5" measured from the flat of the rocker panel, not including the pinch weld, jack points, or suspension mounting hardware.</u>
		25.	93- 101	BMW CCA	1321. C	Delete entire rule. [Secretary's Note: For brevity purposes, please refer to your rule book.]
		26.	123	STEW	APPENDIX B E Only	Art. 205 <u>206</u> , altered as follows: Coachwork, seats: The minimum specifications shall conform to SCCA single seat sports racer specifications. Coachwork must be completely finished and offer no makeshift element. The minimum width for the foot space must be 25 cm (9.84 in) measured perpendicularly to the longitudinal axis of the chassis plumb with the pedals.

Hubbard/Downing Inc. Announces the HANS, Head and Neck Support® to be custom fitted and expertly serviced locally to Northwest Racers

For the first time since the inception of the HANS® device in the mid 1980's, a nationwide servicing dealer program has been introduced to bring the information and expertise necessary for proper fit and selection of this important safety device directly to the racer. Recognizing the need to explain, demonstrate, custom fit and sell the HANS® device, a search began in 2002 to locate just the right company to present the device to the Pacific Northwest racing community.

After a very careful search, **Armadillo Racing Enterprises of Bremerton Washington** has been selected to represent the HANS® device to racers in Washington, Oregon, Idaho, and Montana. "We are honored that Hubbard/Downing has selected our company to bring the HANS® device to northwest racers. They set very high standards because of the serious nature of driver safety and because of the need to be sure the correct model of the device is properly fitted to the exact need of each racer. Our 17 years in the safety equipment business, selling and servicing racers trackside through our 28 ft. showroom/trailer and our respected business reputation was the reason we were chosen."

In addition to representing the HANS® device, Armadillo Racing is your complete trackside store featuring these great products: Red Line Oil (most all oils and gear lubes in stock including Water Wetter), Safety Equipment (Bell, Simpson, Bieffe, Momo and OMP helmets, gloves, shoes, suits) and featuring Carbon-X Underwear; Goodridge Competition Plumbing; Numbers, Letters, Nuts and Bolts, stop watches, brake pads, Mechanix Wear gloves, chemicals, too much inventory to list. They also carry a great selection of racing books and fanwear. If you need it, there is a good chance ARE has it at the track on race weekends.

"Andy supplies great products at reasonable prices and has an amazing inventory at track side."

— **Alastair Lockett** '67 Mustang SPO

"Armadillo Racing & Andy Collins is Great! What's better is dealing with real people, selling real products, and being local to boot. Thanks, gang, for being there and providing the support, education and experience." — **Rob Barker**

"Andy is fair and good to deal with. Good to work with an honest person that will work with you." — **Phil Edwards** RX-7

Race # 8, Mission

- Group 2 car 711 – did not report to scales – disqualified
- Group 3 car 318 – did not report to scales – disqualified
- Group 4 cars 702 & 726 – did not report to scales – disqualified

Race # 9, Mission

- Group 1 cars 58 & 403 – sound violation – each loss of fastest lap
- Group 2 cars 32 & 43 – sound violation – each loss of fastest lap
- Group 4 car 702 – did not report to scales – disqualified
car 758 – did not meet minimum weight – disqualified
- Group 6 car 88 – sound violation – loss of fastest lap

Race # 10, Mission

- Group 2 cars 07 & 57 – passing during black flag – each \$50 fine and loss of qualifying times
- Group 4 car 316 – avoidable contact - \$50 fine and lose 1 lap
car 316 – unsafe driving - \$50 fine and lose 1 lap
car 192 – avoidable contact - \$250 fine, disqualified, 6 race suspension, 10 race probation

Race # 11, Portland

- Group 1 car 62 – did not meet minimum weight – disqualified
- Group 2 car 34 – did not report to scales – disqualified
- Group 4 car 124 – passing during yellow flag - \$50 fine
car 166 – did not meet minimum weight – disqualified
- Group 5 car 376 – did not report to scales - disqualified

All fines are in US funds.

Steward's Soapbox

Publishing deadlines and such being what they are, by the time you read this we may have completed the last Conference Championship race of the year. We can do a season review next month.

Meantime, we're looking ahead to the last two points races of the year and the Enduro. All season, Ron and I have encouraged everyone to stay on the track, don't hit anyone and don't pass during a yellow flag. With the exception of race #11 in Portland (for off-track excursions and fender-bashing), everyone has done a really good job. For lack of a better explanation, someone said maybe the phase of the moon had something to do with the Portland antics. Or maybe it was the law of averages catching up with us. Whatever the reasons, the turn workers really appreciate your efforts and we look for everyone to regain traction for the last events.

Speaking of last events of the year – Enduros. What great events! The Portland Enduro in October has been a mainstay on the Conference schedule and the fledgling Seattle event in March has got off to a fine start. All the more reason for you to keep your racer in one piece during the points events! Enduros are a whole different deal than 1/2 hour sprint races and you'll have tons of fun. You can get all the details by contacting Cascade Sports Car Club in Portland and International Race Drivers Club in Seattle. Round up some teammates, get registered, and have a great time.

See you at the races.

All the best,
Art Metz
2006 ICSCC Race Steward

50 Years of ICSCC Racing!

In recognition of ICSCC's 50th anniversary year, Bill Hill has contributed a wonderful collection of historic racing photos. Most are accompanied by captions, some even by stories.

A few of these are found on this page and the next. Bill tells me that most of these photos were taken by Bob Dunsmuir (he says this spelling may not be correct) and that he, Bill, wrote the accompanying text, usually (as you can see) in the first person.

Watch for more in coming issues! And if you have similar material you'd be willing to allow us to publish, please contact the Memo Editor at icssc@telus.net or 604-882-8078. The preferred format for photos is JPG, high resolution (for good results in print) and submitted by email, but if you have an envelope of great old photos and no scanner, let's talk!

Hairpin Action at Westwood. I don't know who's Lola #84 FF that is, but obviously he was errant on his line through the hairpin. Bill Hill is going in front of him in the winged Brabham BT-29 F-B car as he was working his way through this group to lap them. Believe #44 is Terry Annis in his BT-8 Brabham F-C car. All others are FF's, unknown, but skilled enough to avoid the Lola.

Spotting the Camera as he brakes into the Westwood hairpin, Bill Hill gives a friendly wave. Brabham BT-29. This pic has Cosworth power, but ran several years with a Lotus Twin-Cam in F-B. At one time, I had a 9 race winning streak with this car in the late 70's. That ended at Westwood, when someone hit my catch tank in turn 2, ruptured it, and I spun on that oil the following lap. Finished 2nd. Shoulda emptied the half cup of gup in the catch can before the race

Bill Hill's Introduction to ICNSCC

I bought an MGA for \$300 and, with the help of Bob Bickers, built the car for racing over the winter. A guy we called 'Dude' promised to build a roll bar in time for the Miller-Kersting Drivers' Training conducted by Cascade Sports Car Club, March 15 & 16, 1966 at the PIR 5 mile track on the old Vanport Streets. I rode down with some fellow Puget Sound Sports Car Club members with a hot \$15 in my pocket for mad money. We went down Friday night to be at school at 8am Saturday morning for 8 hours of verbal instruction, which I thought was excellent. After sharing the motel and lunch expenses, I was down to \$4. I suggested we have supper at McDonald's but my friends took me downtown to a nice hotel for supper. The ONLY thing I could afford on the menu was scallops, for \$4. While waiting for supper to be served, and being an eastern Washington farm boy, I asked what scallop where? The explanation almost cost me my appetite.... but I scarfed every one down.

The next morning, we showed up at the track with my borax soaked coveralls and a pair of leather gloves, waiting for my car.....not knowing that Dude decided to install my roll bar the night before at 11pm, and discovered he was out of acetylene, i.e. no car showed up. I explained my trauma to the chief driving instructor, and he asked if I'd mind riding with someone else... so I went through drivers' school in the right side of an Austin Healey 100. No windshield, light rain all day and the temperature in the mid 40s. At the noon break I went to the only sanican out in the grass. Wearing the totally soaked cold leather gloves, I didn't have enough strength to grasp my zipper... I will avoid all details of the next 10 minutes. However, there was a line up of about 30 people when I came out. I was soaked everywhere except the top of my head and my fanny, from sitting in the car.

School resumed at one... and about 4:30, my driver tells me he is going to try a new line across the bridge, yes, I said bridge, at the end of the straight. In trying this line, he hit a very large water puddle, which exploded through the floor boards, up the front of me, under my face shield and to the top of my head under the helmet. Then it drained down, onto the seat and I was now 100% wet all over. By this time, I had the shakes I was so cold. At 5, we ended the school and retired to a restaurant. I had not had anything to eat since the night before and was shaking like a leaf... one of my PSSCC friends felt sorry for me so he bought me a small (10 cent) coke, my first liquid for the day. The instructors had a small conference about me, and since I spent every possible second on the track, issued me a certificate of completion. I don't know if it

was out of pity for this person with the shivers, or what. That evening I rode with my PSSCC friend in his Beetle, with no heater, back to Olympia. At home, I spent 2 hours in the shower, and never even got a sniffle from the weekend.

After some heated discussion, the roll bar was installed the next Friday and we headed for Portland for my first novice race. From the weekend before, I learned that when you come out of a corner, aim for the middle of the track. The Vanport streets (our track) were so crowned, that the curvature would pull you to the outside edge. If your line was aimed for the outside edge of the track, the curvature would take you off into the grass and possibly an old house foundation buried in the grass. We also found out the MGA ate bearings at an alarming rate. So when the oil pressure dropped to 10lbs, we'd throw in several cans of STP, use a 4000-rpm redline, finish the race and rebuild for the next.

Fast forward 40 years. I volunteered for the SCCA drivers school on April 1st this year. They assigned me to two drivers that didn't have rider provisions... so asked me to bring my Colt down to show and observe my assigned drivers on the track. So 40 years after taking drivers school without a car, I now have a car on the track instructing. Sort of ironic, I think.

40 years and loving it.
Bill Hill

2006 ICSCC Event Schedule

Date	Event	Club	Location
March 4	RATS Meeting	All	Best Western Peppertree Inn, Auburn
March 11	Driver Training	IRDC	Pacific Raceways, Seattle
March 12	NWERS 4 hour Enduro	IRDC	Pacific Raceways, Seattle

Spare Parts ICSCC (and related) News

Have you got what it takes? ICSCC has some important and challenging positions to fill for 2007. Our Secretary and License Director are stepping down, and both these positions need to be filled, preferably by the Fall meeting in November, to ensure the seamless functioning of Conference. If you are interested in either of these positions and want to know more about what they entail, or would like to suggest someone, contact the President to discuss it. Linda's contact information is inside the front cover of this (and every) issue of the Memo.

The 2006 ICSCC Contest Board Meeting will be held at the SeaTac Marriott on November 11, 2006, beginning at 9:00 a.m. Room location will be posted at the hotel.

ICSCC Presidential Fines and Penalties

Policy and Procedures Manual section 13.2 requires that "any penalty levied by the President on any member or affiliate club shall be published in the next edition of the Memo, together with a complete explanation of the reasons for the penalty so imposed".

Penalty to Sports Car Club of British Columbia – Fine of \$750.00 (USD) for violation of Competition Regulations 406, 1101.A., and Policies and Procedures section 15.3.1. Written warning was issued regarding additional fines for non-compliance at future events.

Explanation of reasons for penalty:

1. SCCBC technical inspectors failed to comply with ICSCC regulations by not performing all required technical inspections of racecars or race gear at the August 19-20, 2006 race event.
2. This failure created serious and potentially large liability issues for Conference. Concern for the safety of all participants and workers at each ICSCC event is a high priority.
3. The importance of following ICSCC technical inspection procedures had been discussed with SCCBC officials and technical inspectors prior to the event for which they were fined.

2006 ICSCC Memo Submission Deadlines

Issue:	Deadline:	To include:
#8	Sept.13	Rule changes, 3rd points, 1st banquet announcement
#9	Oct. 18	Final points, 2nd banquet announcement
#10	Nov. 29	2007 License application & medical forms, rule changes

Deadlines are for *submission of material* for each issue

Commercial Advertising Rates:

Full page \$80 / issue for full year, or \$110 / issue
1/2 page \$50 / issue for full year, or \$70 / issue
1/4 page \$30 / issue for full year, or \$40 / issue
1/8 page \$20 / issue for full year, or \$25 / issue
Commercial classified \$10 / issue full year
or \$12 / issue

Memo Editor: Danielle Baxter
P.O. Box 219
Fort Langley, BC V1M 2R5
604-882-8078 or icssc@telus.net

You can post your own *non-commercial* ad on the ICSCC Drivers' Meeting Forum **Buy & Sell board!**

Go to www.icssc.com/discus/...

Please read the guidelines for use of the board. Please post a notice when an item is sold, as posts are rarely culled. (Lots of ads, with lots of 'sold' notices, makes the board more attractive than being sparse and tidy would.)

Photos on the 'Net!

Rainbow Action Imagery has photos of your car on the internet. At our website you can see all the photos from an event in one place, pick the ones you like, and order them online. To see your photos:

1. Go to www.dotphoto.com
2. Enter username **gerryf** and password **rainbow**
3. Pick a photo gallery to view

From there, follow directions for ordering online or contact Gerry or Sue for further info, at gerryf@telus.net or phone us at 604-734-4721.

Memo Classified Ad Policies:

Non-commercial ads are free to Conference licensed drivers, officials and workers. **Henceforth, maximum ad length is 100 words: longer ads will not be accepted.** To place an ad in the Memo and/or on the ICSCC website, contact the Memo editor at 604-882-8078 or (**much preferred**) by email at icsc@telus.net. Proof your ad when it first appears – it is presumed correct unless the editor is notified in writing! Ads run for three issues, then are automatically cancelled unless renewed. Numbers at the end of the ad show when it began: 1/06 means first issue of 2006, and that ad will expire after issue #3 of 2006. There are 10 issues per year. **To change an ad you must re-write it and submit the new wording in its entirety.**
