

ICSCC Memo #3, May 2007
The Official Publication of the
International Conference of Sports Car Clubs

In This Issue:

- Race Announcements Races #3 & #4

Steward's Soapbox

You have questions? I have answers.

When you get this memo, you are probably busy loading your trailer for the I-5 journey to Race #1 at PIR. Our special time is finally here, and that deserves a "Hooraw"!

Now, before we start the celebration, let us clear up some of the new IT roll cage rules. The section that drivers are most questioning pertains to the new "TWO SIDE TUBES" portion.

Here is a simple answer...if you already have a roll cage that has been officially stamped prior to Jan. 1, 2007...you are good to go Conference Racing, without any changes.

If for some unforeseen reason you have roll cage damage in the future, that requires the re-certification of your cage, then you will need to comply by adding a second side-intrusion bar. I am sure that many of you have already put in a second or "X" bar in order to run other venues. To you, Ladies and Gentlemen, again I say, "Hooraw". The safer the better.

Now, Topic #2. Saturday Drivers Meetings. This year, at the Saturday Meetings your class can request a "split start", or vote on protocols that you may or may not like, or ask questions that "have been bugging you". This is a real chance for you or your group to be heard. Remember, the buzzwords for this season are "Sharing Information"; so if you have an idea to improve Conference Racing bring it with you. This should reserve our Sunday Meetings for simple reminders to "be safe" and that Conference Racing was built on sportsmanship.

And last, an answer to a question that many of you think about, but only a few of you have asked. Why does it take so long for Conference Racing to post Final Race Results? Here is some insight. When the last driver leaves a race track to head home, the Race Officials' jobs are not over...Timing and Scoring goes through all the data that has been gathered with a fine tooth comb, checking everything! Then T&S sends it on to the Steward, who compares all results with his notes from the race weekend, i.e. penalties, etc. When the Steward is satisfied that the race information is correct, he sends the results off to the Assistant Steward. The Assistant Steward double checks to be sure that the finishers went to the scales, and met their minimum weight. When the Assistant Steward is done he returns them to the Steward, who then passes them on to the Memo Editor and Timing and Scoring. The entire process takes about five days in order to become "Official".

If I haven't covered your "burning question" that needs an answer, bring it to our next Saturday Drivers Meeting. Or, if your question is keeping you awake at nights.... don't wait, just call me at home.

Ron Muro
2007 Race Steward

The President's Message will return next issue.

CSCC Supplemental Regulations 2007

Infractions will result in penalties assessed to the driver.

1. Open to cars eligible under ICSCC current regulations.
2. This event is organized under 2007 ICSCC Competition Regulations, and all who enter PIR are subject to them. Cascade Sports Car Club reserves the right to refuse entry to this event or to PIR at any time.
3. Alcoholic beverages allowed in the *beer garden area only*, and only after the track closes. **You may not bring alcohol into PIR!** This is an Oregon Liquor Commission requirement. Any person caught bringing alcohol into PIR will be *banned from the raceway*.
4. Registration Hours 7:30 to 1:30 pm Saturday and at 7:30 to 10:30am on Sunday.
5. Competition numbers must be readable: Section 1106 enforced.
6. Late entries handled according to ICSCC rules. Entries received after the postmark deadline will be charged \$50.
7. Under 18 years old not allowed in hot pits, pre-grid or on victory laps. Under 12 must have direct adult supervision at all times.
8. A current and properly completed minor release form, signed by an authorized adult, must be on record for all minor participants brought into PIR.
9. The scales will be open Saturday from noon and Sunday all day.
10. **No skateboards or scooters allowed in the paddock area. Users of bicycles and small-motorized vehicles may have riding privileges revoked at any time by the Race Chairperson.**
11. Refueling not allowed in pre-grid. Fueling in the hot pits requires a crewmember assigned only to manning a fire bottle. Excess spillage will result in a penalty.
12. *No smoking* allowed in hot pits, pre-grid or *any* PIR building.
13. Only one support vehicle allowed in paddock. Pit and pre-grid roads must remain clear.
14. **Noise rule ICSCC 1112 enforced! 103 dB at 50 ft.: no exceptions!**
15. Oregon State Law requires functioning mufflers to be used at PIR. Functioning mufflers must be capable of reducing sound energy by at least 5dB at trackside. Cars losing mufflers, even if they are still below the sound level, will be black-flagged immediately.
16. Damage to the track, grounds or buildings, regardless of cause, will be charged to the driver responsible. Also, damage to any equipment or devices used by the sanctioning body (ICSCC) or sponsoring club (CSCC) to conduct this race, regardless of cause, will be charged to the driver responsible.
17. Family and crewmembers of drivers are to contact the landline communication person at pre-grid with any questions regarding their driver or car.
18. All entrants for this event shall present at tech inspection an empty, sealable container or containers, marked with the driver's name and license number, capable of holding 2 gallons of liquid. These are to be used to remove all oil, cleaners, brake fluid, etc. from PIR. There will be no drums provided.
19. Anyone caught dumping oil at the raceway will be fined and banned from the raceway. This is a PIR regulation.
20. If entries exceed the number of cars allowed on the track for a particular event, drivers and cars entered as an "additional event" will be restricted from participating, on a first-come, first-served priority based on the date entries were received. This is in order to allow participation by all drivers for whom the event is their primary event, including Novices upgrading to a championship event.
21. NSF checks will be charged an additional \$50 fee.
22. The racing "hot pit" is defined as that area under the control of Hot Pits personnel. This area is located immediately west of the break in the concrete wall half way up the pit lane. Per ICSCC rule #1607, any person over that "pit wall" during practice, qualifying or races shall wear long pants, shirts that cover the shoulders, and shall not be barefoot or wear open-toed shoes. At the one-minute warning, pre-grid becomes a "hot" area. At that time, pre-grid must be cleared of all crew, support personnel and spectators. Notwithstanding the above, ICSCC rule #1607 does not apply to the pre-grid area.
23. All cars that are towed into the paddock area are subject to being dropped off in impound.
24. In order to receive a refund you must notify registration if you are withdrawing from the event after you have checked in at registration.

Thank you – Greg Swanson, CSCC Race Chairman

2007 ICSCC Schedule of Events

Feb 17	Driver Training	TC	Portland Int'l Raceway

Orange-Aid

Fresh squeezed by the ICSCC License Director

Are you using local streets and highways for daily track practice? You should be. Speed and nose-to-tail maneuvers aside, daily seat time provides plenty of opportunity to hone your track skills. In the process of becoming a race driver you should see an improvement in your street driving (and become more aware of the bozos you share the road with).

Drive ahead – eyes up and out. Focus on the distance, with peripheral senses taking care of the close-in environment. Plan your trip many turns ahead. Where is the traffic moving? When can you best make your exit without cutting off other drivers?

Freeway ramps. Where is the best apex, and how can you optimize your entry and exit? Most ramps are really wide and each has its own personality. Is it a decreasing- or increasing-radius corner? On camber or off? What is the surface like? Take all those factors into play, plan your strategy and practice your best line and technique. Weather changes offer yet another opportunity to practice. Slick road surfaces are a test of your transitional skills. Are you smooth, using heel toe, blipping the throttle on down shifts, matching RPM well, listening and feeling for signs of over/under steer?

Left turn lane. When you turn left at a stop light, do you blindly follow the car in front of you, or do you drive your line? It is easy to tell, as most drivers turn in early, correct at apex, and still end up going into the biker lane on exit. Wrong, wrong, wrong! Make

your entry deep (maximize straightaway speed), turn in smoothly once, unwind and accelerate at apex (maximize exit speed). OK, so you probably climbed up the bumper of the car ahead of you, but if the driver behind was following you, he or she just made the best left corner in their life (a crying shame they didn't know it).

How's your seating position, and where are your hands – one hand at 12:00 and the other on your latte? No time like the present to rid yourself of bad habits and learn to drive like you are on track.

No better time than on your daily commute to use your mirror and peripheral vision skills. Keep aware of closing speeds, passing or lane change opportunities, and danger signs.

Finally, remember that you have been trained. You are practicing the art and science of high performance driving. Be careful to set a good example, and remember that 99% of the other drivers on the road don't have your car control skills. Don't sucker that driver behind you into a situation they can't handle. Be safe, be aware – be a better driver on and off the track.

Greg Miller

In March it may be too late to get the helmet you want
**"The Days Are Numbered...
 On Your Old Snell SA 95 Helmet"**

Time has run out on your SA95 helmet. The rules now state that you must have an SA2000 or new helmet for the 2007 racing season. Act now to ensure that you'll be able to get the exact model helmet in time for the season.

The great news is that we have the helmet you want with no worries about being stuck at the season opener with an outdated helmet.

We stock Bell and Pyrotech helmets or can special order any helmet you want. Don't trust your head to just anyone, allow the safety equipment experts at Armadillo Racing to help you select the right helmet for you, your car, your type of racing and your budget.

Need a HANS device in 2007? Armadillo Racing is the only authorized factory trained dealer in the NW. We can even move the anchor posts from your old helmet to your new helmet.

To Order or for expert assistance in choosing a helmet.

ALL TIMES ARE SUBJECT TO CHANGE AT ORGANIZER'S DISCRETION

SCCBC Race Chairman: Tom Roy
This schedule forms part of the Supplemental Regulations

SCCBC Event Supplementary Regulations 2006

Your application/entry to the event constitutes acceptance of these Supplementary Regulations. Infractions will result in penalties being assessed to the driver.

1. All events are to be held on the Mission Raceway Park road course in a counter clockwise direction.
2. All events will be timed & scored by the AMB Transponder System. Race cars must have a suitable transponder installed and operating in each session.
3. Open to cars eligible under ASN Canada FIA, CACC, SCCA or ICSCC current regulations.
4. Insurance shall be as per ASN Canada FIA and CACC regulations or ICSCC as applicable.
5. All competitors, entrants, crewmembers and guests must sign the official release agreement and waiver.
6. All minors (under 19) require a signed "minor waiver" for each event (available at Registration).
7. Minors (16 and over) are allowed to be in hot pits **provided** a parent/legal guardian has signed the appropriate minor waiver.
8. NSF cheques will be charged an additional \$25.00 Canadian fee.
9. Competitors affected by a race cancellation will be notified by telephone, if possible, or by first class letter.
10. **Consumption of alcohol during an event is NOT PERMITTED at Mission Raceway Park! You are responsible for the behavior of your crew and guests.**
11. Registration & Tech hours and procedures for handling Late Entries as per the race announcement.
12. Driver Services and the Official Notice Board are located in the SCCBC Clubhouse near Pregrid.
13. Novice/License Director will be located just west of the entrance to pit lane.(ICSCC-Pit 1/ CACC-Pit 77)
14. No racing engines may be started prior to 8:50am. Warm as quietly as possible until 9:00am.
15. The scales will be open Saturday from noon and Sunday all day.
16. No skateboards, scooters, or roller blades. Bicycles and small motorized vehicles allowed by permission of the Race Chairmen only. Permission may be withdrawn at any time. **NO ONE UNDER 16 IS ALLOWED TO OPERATE A MOTORIZED VEHICLE!**
17. Both front paved lanes in the Paddock area run EASTBOUND after 8:50am. Rear lane is two way. Speed Limit: SLOW - excessive speed will be subject to penalties assessed by the Race Chairmen.
18. Refueling not allowed in Pregrid. Fueling in the Hot Pits requires a crewmember assigned only to manning a fire bottle.
19. NO SMOKING allowed in Hot Pits, Pregrid, or any Mission Raceway Park Building, no animals allowed in Hot Pits or Pregrid.
20. The Hot Pit speed limit is Fifty (50) Kilometers per hour (30 mph). The Hot Pit Lane ends at the Starters Tower.
21. Only ONE support vehicle allowed in Paddock/Pit area. Roads **MUST** remain clear. All Support vehicles and trailers must be parked perpendicular to the track unless permission is obtained in writing from the organizer.
22. No race vehicle may exceed 95decibels (db) measured at 50ft. from the racing surface. Readings will be taken at an acceleration point. Cars exceeding the db limit will have one or more of their Qualifying times in that session erased, or be *disqualified* from their race.
23. Damage to track, grounds, buildings or equipment, regardless of cause, will be charged to the driver responsible. Damage to paved areas may result in fines. You are required to protect the asphalt from damage by jacks, jack stands, poles, etc.
24. If entries exceed the number of cars allowed on the track (determined by the Race Chairmen) for a particular group, drivers and cars entered, as an "additional entry" will be restricted from participating, based on the date the entries were received. This is in order to allow participation by those for whom the event is their primary event, including novices upgrading to a championship event.
25. All entries for this event shall present, at tech inspection, empty sealable container(s) marked with the driver's name and number, capable of holding 8L. (2 gal.) of liquids. These are to be used to hold all oil, cleaners, brake fluid, etc. There are recycling containers for these fluids along the back road of the paddock near the garbage cans.
26. All hazardous waste spills are to be reported to the Race Chairman. Anyone caught dumping oil will be FINED and BANNED from the raceway. There are recycling containers for these fluids along the back road of the paddock near the garbage cans.
27. **DO NOT BLOCK THE PAVED PADDOCK LANES DURING RACES.** Trailers may be loaded at the back of the paddock.
28. **Tire scrubbing is not allowed at any time during practice or qualifying sessions.** Scrubbing is allowed only on the pace laps preceding the initial green flag starting a race, or under pace car control.
29. The importation and use of leaded fuels for use in motor vehicles is permitted in Canada only for use in racing vehicles. Leaded fuel is not available for sale at gas stations in Canada.
30. No open fires anywhere! Barbecues will be the only exception as long as they are away from any combustible source such as gas cans, gas tanks or fuel cells, etc.
31. No overnight camping at the track Sunday night without permission, please contact the SCCBC President.
32. **Gates are locked for the evening at 10:30pm and reopened at 7:00am.** In case of emergency please call the emergency access number posted on the inside of the front gate. There is a pay phone at the far east end of the spectator parking lot.
33. Long pants, sleeved shirts, closed toe shoes, and visible wristbands are to be worn in the Pregrid, Hot Pits and Impound areas.
34. Cars arriving at Pregrid after the 5-minute warning will be put at the back of the grid
35. All pets must be on a reasonable length leash while on site.
36. Late Registrations on Sunday MAY be accepted, at the Race Chairmen's discretion.
37. **BLEND LINE.** On entering the track, keep **four (4) wheels** to the right of the solid line, **two (2) wheels** to the right of the dash line.
38. Entrants in the Solo 1 group must comply with all sections of the 2006 CACC Solo Events Rules, Section 4, pertaining to Hillclimbs

Thank You – Tom Roy; SCCBC Race Chairman 2006

Memo Classified Ad Policies:

Non-commercial ads are free to Conference licensed drivers, officials and workers. **Maximum ad length is 100 words: longer ads will not be accepted.** To place an ad in the Memo and/or on the ICSCC website, contact the Memo editor at 604-882-8078 or (**much preferred**) by email at icsc@telus.net. Proof your ad when it first appears – it is presumed correct unless the editor is notified in writing! Ads run for 3 issues, then are automatically cancelled unless renewed. Numbers at the end of the ad show when it began: 1/06 means first issue of 2007, and that ad will expire after issue #3 of 2007. There are 10 issues per year. **To change an ad you must rewrite it and submit the new wording in its entirety.**
