### Orange-Aid

Fresh squeezed by the ICGCC License Director

As the racing season draws to a close, I take this opportunity to reflect on my time these last two years as Conference License Director. I agreed to take on the position simply because I was asked to. I knew that Conference is made up of volunteers, and that someday I should probably volunteer for something, I just didn't know this is what it would be, or that my time would come when it did.

I was reluctant at first, because I knew that there would be a large time commitment, and I wasn't sure if I would be comfortable speaking in front of groups, or if I could fill the big shoes that came before me. But I knew then that Conference is special, and a large part of that is because of the Novice program, so I would simply give it my best effort. Little did I know at the time that two years would go by so quickly, and that the experience would be so fulfilling, and so rewarding.

As time goes by, people come and go, but at any one time, there are roughly 400 or so licensed drivers in Conference. I really enjoy meeting the people in Conference that have been around a long time, learning about the past, how things came to be, why things work the way they do, and so on. There is an old guard, so to speak, a group that embodies the origins and the spirit of Conference. Without exception, I have been treated as an equal, never as a newbie, even when asking some questions that must seem terribly naïve. Thank you all for your support.

On the other side of the coin, I have had the distinct and unique pleasure, and the privilege, to more or

less be the gateway into the Conference family for many new racers. To see the authentic joy and excitement that the new racer wears on their face as they begin their racing experiences. To teach, and also to learn something from each and every one of them. It's been just an incredible experience.

I think back over the past two seasons, and it blows me away when I look around the paddock, and realize how many people started from basically nothing, that are now people I would confidently go door to door with any day. Bravo!

Finally, it's been a special treat to get to know and work closely with the turn workers, pre-grid, tech, the people that do timing and scoring, registration, safety, race control, chairmen, and so many other people that put in countless hours, this has truly been a real eye-opener. These people are all so incredibly generous, and at the same time extremely professional. I thank you all sincerely for everything you do. I'm really going to miss spending time with you all sorting out countless issues that come up, well, maybe not that part, but I will certainly miss your company.

Not that I'm going anywhere. Make no mistake, I'll see you all at the crack of dawn on the first day of the first race weekend next season. On Saturday, yeah....

Cheers!

Randy Blaylock  
2009/2010 License Director

**Remarks:**

- Trends are noted using 2005 statistics as a starting point.
- Entry totals include DNFs, but not DNSs.
- Novice Open Wheel entries at PIR (3) and ORP (1) only.
- Novice Open Wheel was integrated into Group 6 beginning in 2008. From 2005-2010, Novice Open Wheel turnout fluctuated between an average of 1.58 entries per race to 3.0 entries per race. The 2010 average is notably declined, less than 1/3 of the lowest previous average from 2005-2009.

**October 2010:** ProFormance Racing School establishes a full time presence at Oregon Raceway Park.

ProFormance Racing School, the Northwest leader in the facilitation of Sport High Performance Driving programs, and Oregon Raceway Park have signed an agreement to establish an on site professional driving school. Don Kitch Jr., owner of ProFormance, is enthusiastic about developing the Sport Driving market in Oregon. With over 30 instructors, individuals interested in the art and science of Sport Driving can safely hone their skills under the tutelage of the ProFormance staff. ProFormance will deliver a full compliment of products at Oregon Raceway Park, including: high performance driving, advanced car control, sport lapping, SCCA competition licensing, teenage safe driver and private coaching services.

Oregon Raceway Park is a superb venue for instructing all levels of Sport Driving. With over 400 feet of elevation change, Oregon Raceway Park is rapidly being recognized as one of the most technically demanding and safest tracks in the United States. Both novice and professional drivers alike have resounding praise for the circuit. Securing ProFormance Racing School's on site presence is yet another testament to this great venue.

Whether a customer's goal is to learn advanced car control techniques or to go racing professionally, Oregon Raceway Park and ProFormance offer the perfect combination to upgrade driving skills. For more information, visit our websites or call:

## Announcing 16th Annual High Performance Racing Seminar

Don't spend another cold rainy winter day watching racing reruns on TV. Step out and join an enthusiastic group of your fellow racers and crews getting a jump on the 2011 season. How? By attending America's longest running racing seminar where you will be overwhelmed with insider secrets and instruction to put you in front of the field when the racing season gets going.

◆ Mark your calendar so you do not miss out on this mind-expanding experience **Saturday February 12, 2011 Tacoma, WA.**

◆ Speakers are being confirmed now. Past speakers include the late Carroll Smith, Ross Bentley, William C. Mitchell, Ryan Falconer, Jay Ivey, Terry Borchellor, Peter Brock, Bruce McCaw, Jim Downing, Dr. Bob Hubbard, Lee Stohr, Bob Earl, Jeff Braun, John Morton and many more. 2011 speakers will share their knowledge such that you'll be crying that your brain can't take anymore.

◆ You will just plain have fun while you are reaping the benefits of

vast quantities of coaching that you can't get anywhere else in one day.

### Here's what just a few comments from last year's seminar:

*"Great cast of speakers. Ross Bentley provided enough information in the first 30 minutes of speaking to easily double the cost of the seminar in value."* – **Fred Harnishfeger** - '67 AH Sprite

*"Armadillo Racing's seminars are always a terrific learning experience. The speakers are tops in their field of expertise."* – **Frank DiMiceli** - Mazda Miata

*"Most seminars you're lucky if you walk away with one or two good ideas. At the Armadillo seminar I bet I took a dozen ideas that I can't wait to practice."* – **Jim Cissell** - BMW PRO3

For complete seminar details and a list of speakers (posted as they confirm) and for early registration to ensure a seat go to [www.armadilloracing.com](http://www.armadilloracing.com) or call toll free **1-888-211-9129**.

**Guarantee:** *If after hearing the morning speakers for three hours, you are not totally thrilled by the knowledge you have gained, I'll refund your entire seminar registration fee plus \$25 for wasting your time! With this guarantee you have nothing to lose except valuable seconds off your lap times. — Armadillo Andy*

*Serving the racing community  
by bringing the nation's  
best racing minds to the  
NW to share their secrets.*
