

ICSCC Memo #1—Jan/Feb 2014

The Official Publication of the
International Conference of Sports Car Clubs

In This Issue:

- 2014 License Application & Medical Forms
- 2014 ICSCC Race Schedule
- IRDC April 6 Enduro Announcement, The Ridge
- CSCC April 26-27 Race Announcement, PIR

From the President

Greetings everyone and welcome to the 2014 Conference Racing Season.

The final schedule is published with 14 championship races over 9 weekends and no back to back weekends. There will be 2 triple race weekends, 1 double race weekend and 6 single race weekends. There are several driver schools, test-n-tunes, track days and endurance races just waiting for your participation. Remember that your best 10 race finishes determine your championship position.

The Executive Board did an excellent job this year in developing the race schedule. This was the first year that a schedule was submitted in November that only required minor adjustments. I want to thank all the Executive Board members and their respective clubs for going the extra mile prior to the Fall meeting. Thanks.

Conference has a new Insurance Adviser in Dennis Sutich. I have known Denny for a long time. His friendly personality, attention to detail and positive attitude will serve Conference well in this position.

We have a new License Registrar in Linda Heinrich. Linda has held several positions within Conference; President, Treasurer, & Vice President. Linda is excited to take on this position and I know that she will do an excellent job.

The Webmaster duties will be performed by Alberto Fonseca. Alberto is ready and willing to keep everyone informed and electronically connected to Conference.

The Steward for 2014 is: Mike Tripp, with Bob Mearns and Dan Heinrich as Assistant Stewards. This group is more than ready for the season to start. I know that they will do a great job throughout the season.

Our volunteer core is in need of new recruits. Each club depends on volunteers for turn, grid, safety and tech marshals. Without the assistance of volunteers, clubs cannot conduct races, schools or track days. So if you are a racer that is unable to compete in a race but would still like to be at the track, plan to volunteer. I guarantee that you will enjoy the experience and your club will thank you. If you have friends who are interested in racing, bring them along so that they can enjoy the experience with you.

I look forward to this year of racing and the opportunity to race at all of our tracks. Conference is very fortunate to have six racing venues at its disposal. We need to show our support by attending as many races as possible.

See you at the track,

Dave Bennitt
ICSCC President

ICSCC Officials 2014

STEWARD'S SOAP BOX

Hello fellow racers, officials and Conference members (hope that covers everyone).

Most of you should know me from assisting Terry Overdiek last year, but just to be formal I am Mike Tripp your steward for 2014. In addition to being your Assistant Steward last year, I have been racing a spec miata, #135, for 6 years. At the driver's meetings, some of you may have heard me plea for volunteers for assistants. Well a couple of great folks stepped forward and I am pretty excited about the stewarding team this year.

Bob Mearns is the 2-year Assistant Steward (he's in line to be "THE" 2015 steward). In addition to being a Pro3 driver, he was the License Director for 2011 and 2012.

Dan Heinrich is the 1-year Assistant Steward. Dan is a racer, a past Steward, the Conference Treasurer and knows our rules better than anyone else I have come across.

The main reason Stewarding is a 2-year commitment is so we can maintain a consistent enforcement and interpretation of the regulations, and I would like to thank Terry Overdiek for his service to Conference and for his tutelage.

As you prepare for the 2014 race season, there is a rule change that I would like to highlight. Rule 1105.B. was modified to allow SFI belts to expire on December 31 of the 2nd year after date of manufacture instead of two years from the date of manufacture. This doesn't impact those of you with FIA belts, but if you have SFI belts that were manufactured any time in 2012 (or later) you are good to go. If your SFI belts were manufactured in 2011 (or before), make sure to get them replaced before your first race.

When we reviewed the Conference budget, I was surprised to learn we had 3.5 times as

much in fines in 2013 as 2012. \$2650 in 2013 versus \$750 in 2012. And to think the folks that got fined sometimes represented a small fraction of the incident reports the corner workers wrote up and we investigated (for example, 1/5 at Mission). Looking back over the past few years, you can see it wasn't a record breaking year, but definitely above the norm (2011 - \$2750, 2010 - \$1300, 2009 - \$1115, 2008 - \$1775, 2007 - \$3330).

Looking back at the Steward's log (yes we do keep a history and fines increase with multiple infractions and your history does continue from year to year), I tallied up 19 fines for avoidable contact, 19 for passing under yellow, 4 for passing under black flag all, and 9 for dangerous driving of one sort or another. I'm not sure how to think about this. On one hand it is only 2 folks per race day not paying attention to flags and only 1.5 folks hitting someone doing something they shouldn't have and less than 1 person per race day driving really dangerously. Pretty good, right. Or the other way to look at it is that every race day we have at least two drivers that could be putting others at risk because they are not paying attention and often another two drivers making at least one bad decision resulting in someone doing body work. Maybe we need to keep track of citations, like injuries on job sites, so each race I can announce "Group 1 has had no citations for 3 races". What should we do if a race group could end the year with no citations? Something to think about as we get ready for another season.

Mike Tripp
2014 Race Steward

INTERNATIONAL RACE DRIVERS CLUB

The BRISTOW'S Exclusive Auto Repair "6 Hours on The Ridge" Saturday April 5th 2014 & Endurance Race Sunday, April 6th, 2014

This race is sanctioned by The International Conference of Sports Car Clubs (ICSCC), under the 2014 regulations as a non-championship race, organized by the International Race Drivers Club and held at The Ridge Motorsports Park. The Race Chairman, C Jason Vein can be reached at cjasonvein@gmail.com

EARLY BIRD ENTRIES CLOSE: Postmark or ONLINE BY April 1st 2014

ENTRY FORMS: Available at icscc.com or irdc-racing.com

ONLINE REGISTRATION: www.motorsportreg.com for the primary Team Driver.

Entry on motorsportreg.com is for PRIMARY DRIVER only.

All other drivers are requested to fill out the 2013 IRDC Enduro Entry Form Form available online at www.icscc.com or at www.irdc-racing.com

Return entry form to PRIMARY DRIVER who should submit ALL team entries at one time to IRDC Registrar by April 1st 2014.

ENTRY FEES: \$599.08/team +\$50.92 Wa St Sales Tax = **\$650**
Includes Test & Tune Saturday and Race Sunday

Spectators & Crew Members FREE!

In order to be eligible to run this event all drivers must hold a current 2014 unrestricted competition license. ICSCC Area or International grade license holders are automatically eligible. Drivers with licenses from other licensing bodies (SCCA National/Regional, FIA, ASN, CACC, NASA), must be a minimum of 18 years old, be in good standing with their respective licensing body, and obtain approval of their credentials from the ICSCC License Director. license_director@icscc.com

Reminder... Remember to renew your Race License and your Club membership early!!!
Entries will be limited to the first 50 cars. Additional entries will be placed on a waiting list.

Supplemental regulations can be found at [click here](#)

The Announcement and schedule [click here](#)

The entry form for secondary drivers [click here](#)

Checks can be sent to address below:

Mail Entries to: Kristi Bennitt 14023 Bear Creek Road NE Woodinville, WA 98077

E-mail: kbennitt@gmail.com or 425.864.4512

The Ridge Motorsports Park will open Saturday morning, Test and Tune will happen during IRDC School Day. Please take time to meet your future fellow racers, get to know them and thank them for coming out to drive with IRDC.

We will be accepting Cash, Check and Food donations for the St. David of Whales Episcopal Church Community Meals Program in Shelton. Last year we raised over \$1200!! I hope we can raise even more this year ☺ Please donate on Motorsportreg and again at the track during the event. If your company matches your donation please let us know.

IRDC & BRISTOW'S Exclusive Auto Repair "6 Hours on The Ridge"

Donations for the Community Meals program in Shelton will be accepted all weekend.

Make checks payable to:

- St. David of Whales Episcopal Church Community Meals Program
- Also listed on the Motorsports registration

Saturday, April 5th, 2014: Sunrise 6:39am – Sunset 7:45pm

7:00 am Official Set-up Begins (early arrivals contact Race Chairman)

School, HPDE and Test & Tune schedule available at the track

3:00 pm – 5:30 pm Race Registration and Tech Inspection

Sunday, April 6th, 2014: Sunrise 6:37am – Sunset 7:46pm

7:00 am – 7:30 am Registration and Tech Inspection

7:30 am Worker Meeting

7:30 am Mandatory Drivers Meeting

7:30 am Mandatory Crew Chiefs Meeting

8:20 am Cars due on Pre-Grid

8:35 am National Anthems

8:50 am Two Pace Laps

9 am – 3 pm "6 Hours on The Ridge"

3:45 pm Awards, BBQ and Donations announcement for the Soup Kitchen

IMPORTANT NOTES:

1. ALL PEOPLE ENTERING The Ridge Motorsports Park MUST SIGN A WAIVER AND WEAR A WRISTBAND ON THEIR WRIST AT ALL TIMES. NO EXCEPTIONS

2. Entrance to The Ridge Motorsports Park opens on Saturday morning. There will be an IRDC School and HPDE day happening on Saturday. Enduro participants will be parked in front of or near their pit stalls, North side of paddock. School and HPDE drivers will be parking along the South side of the paddock. Please be courteous of each other, these are the people we hope to be racing with in the future.

BRISTOW'S Exclusive Auto Repair - 6 Hours on The Ridge

April 5-6, 2014

OFFICIAL ENDURO ENTRY FORM

IMPORTANT NOTE: PRIMARY DRIVER should enter online ONLY at www.motorsportreg.com. All other drivers must fill out this entry form with all information requested and provide back to PRIMARY DRIVER who should submit ALL team entries at one time to IRDC Registrar. ALL DRIVERS MUST HAVE CURRENT LICENSES ---RENEW EARLY.

8.5% Sales tax only collected on Entry, not Workers Fund or Community Meals Donation.

Remembering Bob Plotts

By Bill Hill

Mom called from Spokane, "Do you have Bobby Plotts in your newspaper?" "Why???"
"He passed away, I'll mail you his Obituary."

Plotts, Robert (Bob), 73, Jan. 24, 1940 - Jan. 05, 2014, A Portland teacher for more than 32 years and sports car enthusiast, "Bob" Plotts passed away Jan. 5, 2014, in Spokane after a battle with cancer and diabetes. He was a Beaverton resident. Robert's wife of 47 years, Roseanne, was at his bedside.

In my racing family, Bob has been my friend the longest. His dad and my dad were Deputies in Spokane County for the Washington State Grange. Bob and I met the first time at the State Grange Convention in Spokane. We were both sons of wheat farmers.

Bobby started talking about Corvettes, and I had just discovered foreign racing with 'the Racers' movie and Road and Track. Bob had some contact with sports car groups in Spokane and we had exciting conversations and our friends had no idea what we were talking about as we were talking about cars they never heard of, like Ferrari, Maserati, etc., and mispronouncing some of the names. But our contacts were pretty much limited to Grange events. Every time we met, I felt fortunate to see him again, and always we shared great memories of the events in our lives from Grange to Racing. When I still lived near Spokane, Bob helped me to be a turn worker at the Deer Park races.

I moved to Seattle upon graduation from WSU and was out of touch from Bob for several years as Bob had moved to Portland after graduating from EWU. After moving to Oly, I bought my first race car, the MGA, and took ICNSCC drivers school in Portland, and the following week ran my first race there. Then found Bob, working the races and talking about the Sports Racer he was building.

Bob must have worked every race position at PIR over the years for CSCC and SCCA, from turn worker, to emergency crew chief, to many other positions and then his racing team. And we always had great conversation, many laughs and many reminisces from the past.

One year Bob invited me to stay overnight at their place after a PIR practice. We left the track late that night, so we stopped at Shari's for supper so not to disturb Roseanne when we arrived. After supper at 10 pm, went to his home, and surprise!!! Roseanne said she figured we'd be late and she had just finished cooking a spaghetti feed. Bob and I looked at each other, NEVER mentioned Shari's, sat down and had a second supper within an hour....and it was so good, had seconds. Hmmm, Bob never took me out for supper after that.

Bob's Sports Racer was a beautiful H modified, in the day when that class was one of the slower classes, not the monster class it is now. So, Bob started the ICSCC novice program, but didn't get his license, because he didn't race at a second track during the year, a requirement. Each year, he'd run the novice program at PIR. After at least a half dozen years, he finally went to SIR and got his upgrade. Said he couldn't imagine how much fun SIR was until he drove it. So Bob got upgraded and at the ICSCC banquet that fall, they gave out a number of awards for the previous decade. And since Bob was in the Novice program for almost 10 years, he received the 'NOVICE of the DECADE' award....An award he cherished.

We always had great conversation and laughter, be it about School politics in Beaverton, Grange memories, our families, racing...we also seemed to be the cornerstone in the NW for deceased Tom Foster and deceased Chuck Billington Tracer Racing Team. With Bob gone, along with Ron Householder, Portland loses something for me as these two were so key to me.

Bob's wife Roseanne also came from a strong Grange family having family members working with the Washington State Grange at the state and local level, and we can pray for her strength for her loss. And, Spokane and the NW Motorsports, Portland, all have lost a great historian with the loss of Bob.

We all have more than one family. Our blood lines we grew up with, also the business family at work, those in a professional organization we worked with, and those in the hobby/sports business. All have an important meaning to our individual lives. All bring a joy and happiness in one way or the other.

Ironically, Bob and I met the same year ICSCC, er ICNSCC (International Conference of Northwest Sports Car Clubs) was founded. I believe Bob joined before I did. We both became heavily involved with the two major organizations here in the NW, Conference and SCCA. Both added so much to our lives.....maybe Bob can watch our events from above.

Godspeed my friend, you will be missed.

A memorial service is planned for Bob on March 9th, 1:30 p.m.,
Beaverton Elks, 3500 SW 104th Avenue (corner of Canyon Road)

ENDURO CORNER

BY CHRIS HEINRICH

The "ENDURO CORNER" is a monthly message updating and informing racers on endurance racing activities for 2014.

A full slate of endurance racing activities are in store for 2014. The endurance racing calendar starts off with the **6 HOURS ON THE RIDGE** at The Ridge Motorsports Park on April 6th. (Announcement & entry form in this issue. Ed.)

After the opening enduro, a nine race **NORTHWEST MINI ENDURO CHAMPIONSHIP SERIES (NWMECS)** begins. Races will be held at Portland International Raceway, The Ridge, Pacific Raceways, Spokane County Raceway, and Oregon Raceway Park. The nine race series features eight, 1-hour mini enduros and a 2-hour series finale. The endurance racing calendar concludes October 18th with the Cascade Festival of Endurance which features the **2 HOUR NWMECS FINALE**, a **300 Mile Border Challenge Race**, and the **8 HOURS OF THE CASCADES**.

See next month's message for details on these upcoming races.

FROM THE LICENSE REGISTRAR

The 2014 ICSCC racing season is almost here. Your 2013 Competition licenses will expire March 31, so it's time to renew! Here are a few reminders that should help make the process go smoothly.

1. All forms can be downloaded from the ICSCC website.
2. There is a checklist at the bottom of the license application form, please use this – it will help you.
3. A note about photos . . . If you are renewing, your photo will be on file from last year. I will be happy to use it and there would be no need to send one. If you are applying for a new Novice license or are new to ICSCC, please email a jpg photo. The photo can be a simple picture taken with a cell phone and emailed. There is no need to spend money on pictures.
4. Physical Exam form . . . Physicals are due every other year. If you are unsure whether you are due for a physical, just email me. I will check and email you back. If you're receiving your Memo by mail, the label on this issue will tell you whether you need a physical.
5. Medical History form . . . This form is turned in every year and is filled out by the driver.
6. Club Membership cards . . . Please include a photo of your 2014 club membership card or a copy of your payment receipt. Please remember to get your Club Membership renewal early so you can send it with your other documents.
7. Car Numbers. . . If you are trying to figure out race car numbers or want to know what is available, email me and I will help you. Keep in mind if you are trying to get the same number in two or more groups, we did open up 200-299. Remember Novices still use 300-499 numbers.
8. When you do get your license in the mail, check to make sure all information is correct – group, car numbers and even the picture. Please contact me if a correction needs to be made.
9. It's a good idea to send in your **fully completed** license application forms as soon as possible. If you wait until the last minute before your first race, it will cost you the late fee of \$75!

I am looking forward to the upcoming year and seeing all of you at the track.

Linda Heinrich
2014 ICSCC License Registrar
license_registrar@icscc.com

FROM THE LICENSE DIRECTOR

Welcome to the 2014 Conference racing season!

As the vastly experienced 2014 License Director (well, one year under my belt at least) I am again very excited to get the new racing season going. So many rule changes this year - 160 bhp KERS and ERS, new V6 turbo engines from Ferrari, Mercedes and Renault. A whole batch of fresh new faces at testing in Jerez and Barcelona. Wait a minute. I think I'm confusing my F1 article for Racer Magazine with my Conference License Director article. Let me start over.

So many rule changes this year. Actually not too many, now that I think about it. But there is one important change I want to share with all novices. It's not really a rule change - more like a practice and procedure change. If you read the Novice Handbook (it has been updated a bit for 2014 and reads almost like an Ian Fleming novel) it clearly says Novices need to complete 3 clean races (by "clean" I mean keeping all 4 wheels on the black stuff *and* not hitting anything), at least 3 senior driver interviews, 4 half-day work assignments *before* taking our written test, and *only after completing all those items and passing the test* will they be upgraded to Area Road Racer, with the concurrence of the License Director.

In 2014 I intend to follow that procedure very closely in order that Novices benefit from all Conference has to offer and in order that Conference benefits from all the Novices have to offer (especially in terms of the 4 half-day

work assignments). For those of you who are new to our Novice program, this won't mean any change because this is what you will experience on your way to earning Senior driver status. But for those Novices who started the program in 2013 but haven't finished yet, it may be a bit of a change. Please come see me at the white canopy displaying the 10' X 3' orange flag if you have any questions.

The year promises to be full of excitement, fun and tall tales of valor on the track, and I hope you are as excited for it to begin as I am. The first championship race, the Rose City Opener XXIII, is on April 26 and 27; is sponsored by Cascade Sports Car Club and run at Portland International Raceway. But if you want to get some work requirements in before then, please sign up to volunteer for tech, corner working, pre-grid or timing and scoring at IRDC's Spring Enduro at The Ridge on April 6. And if you first need to get signed off to enter the Novice program by successfully completing one of our clubs' driving schools, there are two of them on March 29 and one each on April 5 and April 25. Check out the Events and Results page on the Conference website at <http://www.icsc.com/season.php> to sign up.

And remember my friends; the car goes where the eyes go, so look up!

Scott Faris

--	---

PHYSICIAN'S COMMENTS (may continue on the back of this form)

- I believe that the applicant **is fit** to drive a racing car in competitive events at high speeds.
- This applicant **should be reviewed** by an ICSCC official.

Physician's Signature: _____
Date: _____

Place physician's office stamp below
(physician's name, phone and address):

Dan Dickson Remembered

By Don Smethers

We've lost another ICSCC friend and a member and past president of Team Continental. Although he traded in his race helmet for halyards and spinnakers some time back, we still remember Dan as an important part of TC history, prepping cars and racing with Doris. One of their first racers was a VW Rabbit, during the time that TC had a big hutch of them. Dan & Doris were also members of Porsche Club, and for years drove a Sepia Brown 911, selling that only recently. Dan was a Navy man, always proud to say that he was a submariner.

During the 70's and 80's, Dan was in the auto detailing business. RSR Detailing was located in Lake Oswego for some time. Dan gave us a place in the shop to prep our 911 for racing. While we were away at work, he labored tirelessly, scraping on interior undercoating – more fun than doing Customer cars. And, Dan got to drive the finished product a couple of times. Dan and Doris raced the Rabbit – shhhh, Doris was always faster. One day going down the back straight at Portland, Doris blew up a flywheel and put the pieces right through the front of my sports racer, a Brabham BT21. Dan bought that car some time later, just to keep all the parts in the family, and raced it with co-owner Jack Todaro.

The draw of the open sea eventually got Dan and Doris into sailboating, moving up a few years ago to Ecstasy, a 43-foot Columbia MKIII, which they kept moored at Portland Yacht Club where they have been members since '99. There are a bunch of racers and ex-racers in the club, so we did a lot of bench racing. In the past couple of years, Dan went out to the club nearly every day, and had a lot of friends there. A couple of sailors have moved the boat to various destinations when sailing was becoming too difficult. Plans were being made to head up North again next spring. Dan fought an amazing battle with cancer, outlasting all the doctor's expectations, but Dan passed away in December. He is survived by his wife Doris and sons Eric and Chat.

A tad bit of rain
at The Ridge!

*The 5 Min warning will be given approx.
8 Min before the start of the race

CSCC Supplemental Regulations 2014

Infractions will result in penalties assessed to the driver.

1. Open to cars eligible under ICSCC current regulations.
2. This event is organized under 2014 ICSCC Competition Regulations, and all who enter PIR are subject to them. Cascade Sports Car Club reserves the right to refuse entry to this event or to PIR at any time.
3. Alcoholic beverages allowed in the *beer garden area only*, and only after the track closes. **You may NOT bring alcohol into PIR!** This is an Oregon Liquor Commission requirement. Any person caught entering PIR with alcohol will be *removed from the raceway*.
4. Registration Hours: 6:00 pm-8:00 Friday, 7:30 am - 1:30 pm Saturday and 7:30 am - 10:30 am Sunday.
5. Express Tech is available at Registration for those drivers who have an acceptable, current Annual Tech inspection noted in their vehicle logbook, and the driver is not part of the mandatory Tech presentation group for the weekend. Express Tech drivers should bring their personal safety gear and vehicle logbook to Registration where your gear will be inspected and a weekend tech sticker issued.
6. People under 18 years old are not allowed in hot pits, pre-grid or on victory laps. Children under 12 must have direct adult supervision at all times.
7. A current and properly completed minor release form, signed by an authorized adult, must be on record for all minor participants brought into PIR.
8. Competition numbers must be readable: Section 1106 enforced.
9. The scales will be open Saturday from noon and Sunday all day.
10. **No skateboards or scooters allowed in the paddock area. Users of bicycles and small-motorized vehicles may have riding privileges revoked at any time by the Race Chairperson.**
11. Refueling is not allowed in pre-grid. Fueling in the hot pits requires a crewmember assigned only to operate a fire bottle. Excess spillage will result in a penalty.
12. *No smoking* allowed in hot pits, pre-grid or any PIR building.
13. Only one support vehicle allowed in the paddock. Pit and pre-grid roads must remain clear.
14. Noise rule ICSCC 1112 enforced! 103.0 dB at 50 ft.: *no exceptions!*
15. Oregon State Law requires functioning mufflers to be used at PIR. Functioning mufflers must be capable of reducing sound energy by at least 5dB at trackside. Cars losing mufflers, even if they are still below the sound level, will be black-flagged immediately.
16. Damage to the track, grounds or buildings, regardless of cause, will be charged to the driver responsible. Also, damage to any equipment or devices used by the sanctioning body (ICSCC) or sponsoring club (CSCC) to conduct this race, regardless of cause, will be charged to the driver responsible.
17. Family and crewmembers of drivers are to contact the landline communication person at pre-grid with any questions regarding their driver or car while on track.
18. All entrants for this event shall present at tech inspection an empty, sealable container or containers, marked with the driver's name and license number, capable of holding 2 gallons of liquid. These are to be used to remove all oil, cleaners, brake fluid, etc. from PIR. There will be no drums provided.
19. Anyone caught dumping oil at the raceway will be fined and banned from the raceway. This is a PIR regulation.
20. If entries exceed the number of cars allowed on the track for a particular event, drivers and cars entered as an "additional event" will be restricted from participating, on a first-come, first-served priority based on the date entries were received. This is in order to allow participation by all drivers for whom the event is their primary event, including Novices upgrading to a championship event.
21. NSF checks will be charged an additional \$50 fee.
22. The racing "hot pit" is defined as that area under the control of Hot Pits personnel. This area is located immediately west of the break in the concrete wall half way up the pit lane. Per ICSCC rule #1607, any person over that "pit wall" during practice, qualifying or races shall wear long pants, shirts that cover the shoulders, and shall not be barefoot or wear open-toed shoes. At the one-minute warning, pre-grid becomes a "hot" area. At that time, pre-grid must be cleared of all crew, support personnel and spectators. Notwithstanding the above, ICSCC rule #1607 does not apply to the pre-grid area.
23. All cars that are towed into the paddock area are subject to being dropped off in impound. Drivers must wear all required drivers safety equipment (per ICSCC rule # 1105) before they are allowed to enter the track, while they are on the track, beyond positive protection, under flat tow, or in the hot pits area.
24. The 5-minute warning will be given approximately 8 minutes before the start of the race.
25. Due to recent incidents, extension cords from the pit exit to tech/scales must use a more secure method other than Duct Tape.
26. Staggered start and split start requests shall be submitted to the race steward no later than the end of on-track activity on the day previous to the race.
27. Blendline- the Red Blendline stays on drivers left as you enter the racetrack from the pit area. You are required to stay on the right side until the Red Blend line ends. This is **REQUIRED EVERY TIME** you enter the Race Track, other than the race out lap. The Red Blendline stays on the drivers left at the end of the Turn 12 tirewall. **If you are to exit the race track at anytime, you are required to stay completely to the right.** If you cross the blendline with ONE TIRE you are required to stay out for one more lap unless you are exiting the track after you have received the checkered flag and crossed the start/finish line.

Thank you – Mike Smith, CSCC Race Chairman

MISSING YOUR MEMO?

If you are not receiving your Memo in the mail, and you want to,.....maybe it's because we don't have a current address for you!

Drivers, please let the License Registrar know if you've moved. Everyone else, please let the Memo Editor know your new address.

Correct addresses on our mailings save Conference \$\$ on return postage.

Thanks!

CSCC Enduro 2013 PIR

Gerry Frechette has photos of your car... see them on the internet!

At our website you can see all the photos from an event in one place, pick the ones you like, and order them online. To see your photos:

Go to www.gerryfrechette.zenfolio.com and pick a photo album to view. No user name or password needed.

From there, follow directions for ordering online or contact Gerry or Sue for further info at 604-734-4721 or gerryf@telus.net.

For photos prior to 2011, continue to view them at DotPhoto, but please do not order from there; instead, contact us directly and we will process your order.

Memo Classified Ad Policies:

Non-commercial ads are free to Conference licensed drivers, officials, and workers.

To place an ad in the Memo, contact the Memo editor at memo@icscc.com. Proof your ad when it first appears – it is presumed correct unless the editor is notified in writing.

Ads run for 3 issues then are automatically cancelled unless renewed. Numbers at the end of the ad show when it began: 1/14 means first issue of 2014; that ad will expire after issue #3 of 2014 (3/14). There are 10 issues per year.

HAPPY ST. PATRICK'S DAY

HANS: The Finest, Easiest, Safest Head and Neck Restraint in the World. Why Would You Wear Anything Else?

Over 175,000 racers worldwide rely on the HANS device for protection. Guys such as Michael Schumacher (7-time world driving champion), Tony Stewart (Sprint Cup Champion), and hundreds of local Conference, SCCA and SOVREN racers trust their lives to the HANS.

Rich Satre in Spokane just a few years ago walked away from an incredible crash that left his Porsche destroyed. And Steve Pfeifer rolled and ended his car at Pacific Raceways and had no neck injury due to wearing his HANS.

There's plenty of hype about other Head and Neck Restraints but the fact is that the HANS has been tested and provides the LOWEST NECK LOADING of any device.

- It is the simplest to put on and take off
- The Ultra Pro is the lightest of all the devices on the market.
- The Adjustable can be worn in a formula car or a sedan
- The sliding tether allows nearly unrestricted head movement from side to side
- The cost: Priceless if you hit the wall head on and you are wearing one and you walk away like Jeff Quick in turn 9 at Pacific Raceways a few years ago.
- The Price: As low as \$645 for the Sport II model (for an adult) to \$995 for the incredibly lightweight Ultra Pro.

Call today to get your HANS. Armadillo Racing stocks and services HANS devices trackside and is factory-trained and certified with FREE installation of anchor posts with your purchase.

Don't be tricked or fooled into buying anything less than the best. Buy a HANS from the experts at Armadillo Racing to be as safe as you can.

MYLAPS
SPORTS TIMING

MyLaps (formerly AMB) Flex, direct charge, or rechargeable transponders from as low as \$150. Whatever transponder you need, order today and be ready for the 2014 racing season.

– Everything you need to go racing –

For the driver: All your personal safety gear and a great selection - Suits, gloves, helmets, underwear, shoes and of course a HANS® device including the new lighter weight Sport II.

For your car: Seats, roll bar padding, seatbelts, right and left side window nets, on-board fire systems, brake pads and brake fluid

Complete Safety Equipment Packages (Suit, gloves, shoes, socks, balaclava) featuring OMP Suits (worn by the top Formula I drivers) with box quilting and functional features such as knit stretch panels for driving comfort. A Bell helmet (worn by the best drivers for over 50 years) or a lightweight HJC helmet will complete your package. We'll help you pick the right package that fits your needs and desires and will make you look so professional, your kids will want to take your picture to school to show their friends.

Ask for our Free Report: How to Buy Exceptional Safety Equipment to Be Safe, Look Professional, and Feel Comfortable When You Go Racing.

"Andy at Armadillo Racing runs his business like we all wish everyone did. If he doesn't have it, he will do his best to get it. He is knowledgeable about what he sells. Good old fashioned customer service." John Gardiner – Chevy Monza, Bonneville
