

## ICSCC Memo #5—June 2015

The Official Publication of the  
International Conference of Sports Car Clubs

### In This Issue:

- Race Announcement: IRDC, Pacific Raceways, #9, August 1-2
- 

## From the President

July is almost upon us with 8 of 14 races being completed by the end of June. Attendance has been close to previous years for the most part. More attendance at the multi race weekends would be appreciated, since this is what was requested by our drivers.

July will be a good month to repair what is broken, spend time with the family and be prepared for the final 6 races of the season. It's going to be interesting.

We still need your help at every race. With 8 out of 14 races completed, our volunteer core has been working overtime to keep us safe. The volunteer core has remained constant but the demand is ever increasing. It would be great if each corner were to have three marshals and pre-grid and tech we fully manned. So if you could find a way to volunteer one weekend this year, our goal could be achieved. I know that several drivers are limiting their races this year, so come out to the track and volunteer your time. Let's make it happen! **Remember: Without volunteers to staff the corner stations, provide safety and staging, we will not be able to race.**

Conference is not just a racing organization but rather a very large family that truly cares about one another. When a member is ill or requires medical attention, wishes and thoughts are shared. When a member reaches a milestone, such as a birthday or graduates from college, we are there to offer support. So to all our members recovering from illness, I send you our best wishes for a speedy recovery, and to our graduates I wish you continued success.

I would like to see more viewing of our Novice races, since they are the future of Conference. Take some time out of your Saturday afternoon and enjoy the Novice race. And remember to congratulate them when the race is completed.

Come out and support your club and Conference.

See you at the track.

Dave Bennitt  
ICSCC President
