2017 Race Schedule
Messages from the President, the Race
Steward & Club Year end Worker Fund Reports
2017 Licence Applications

IN THIS ISSUE:

FROM THE PRESIDENT

Hello, here it is time to start the 2017 racing season or at least start thinking about it. First I need to announce that Mark Estes volunteered to be the License Director for 2017 and the Eboard approved him at the Spring Meeting. Thank you Mark. We also finalized the race schedule at the Spring Meeting and the new schedule incorporates a change to the PNP that we made as well. We changed the maximum allowed number of championship races per club to 4 (it was changed from 4 to 3 a few years back). Both CSCC and IRDC will be taking advantage of this in 2017, so we have a 16 race season. Also, in an effort to bolster TC car counts we voted to have their Sunday race be double points. This was not an easy decision as double points can make or break championships, but with only fifty some entries last year it would be doubtful if they could continue hold races if this doesn't improve. Hopefully the changes we made help the clubs be financially viable and hopefully you already saw the detailed break down of implications to championships that was published by Dan Heinrich and distributed via email.

We do have two enduro's again this year, IRDC's spring enduro at the Ridge and CSCC's fall enduro at PIR. Rumor is that this could be CSCC's final enduro due to declining car counts. So you better participate in this one, I know I don't want to miss it.

I am particularly excited about the one big budget item we approved, new scales! Rick Bostrom is pulling this together and the improved design will be robust, accommodate all wheelbases, and fit in the back of a short bed truck. You may not have realized but our old scales were so long that Stewards were having to bring a car trailer just to carry the scales.

I have one position that I need a volunteer for, Banquet Facilitator. Jennifer Higinbothom (and Mark) did a great job but have other commitments during that time frame so they can no longer facilitate the Banquet. If this is something you are interested in, or wouldn't mind doing :0) and need more information about what is involved, please contact me or Jennifer.

Hopefully by the time you read this, it will be more like spring outside and you will be getting the itch to do some racing or at least racing prep. I'm having a hard time thinking about racing, but for a completely different reason than most of you. I writing this while staring out at the whales spouting and breaching between Maui and Molaka'i while I get weather alerts on my phone for home. Sunday night is going to be a rude adjustment. Til next time.

Mike Tripp

LIFE IN THE FAST LANE

2016
ICSCC Driver of the Year

STEWARD'S CORNER

Here it is almost Valentine's Day and in less than 60 days ICSCC will be having our first race for 2017, the IRDC Enduro. I'm sure you're not like me and your race car is all set to go for this year. Is that laughter I hear? But if it's not ready, now is the time to get started and don't forget to send in your license application as soon as possible.

There are a number of changes that are happening this year.

1. Helmets must now be 2010 or 2015 Snell Foundation specification.
2. This one is go150ing to break your hearts.....on 2-day race weekends we are planning on having a drivers meeting only on Saturday and on 3-day race weekends they will be on the first two days of the event. You may not know this, but the Stewards don't like the meetings any more than you do. Rick & I tried this at the final two race weekends of last year and it seemed to work just fine.
3. If you are repainting your car this year or changing numbers, the rear numbers are no longer required, just recommended. The required minimum size of the numbers also changed to 8 inches high instead of 10.
4. Spec Miatas will be legal to run in the ITA (ITS) class this year.
5. Sprint races (usually only at IRDC & Cascade events) will now count as qualifying sessions if the Member club chooses to do so. The race announcement will state this and it will also be announced at the Driver's meeting. These races will be subject to rule 714 which reads "Cars may be weighed following any timed qualifying session, provided that all cars in the class that participated in the session are weighed."

6. Club Ford drivers - you have a lot of vehicle specification changes. Be sure you read the 2017 Competition Regulations. The 2017 Competition Regulations should be online at www.icscc.com by early March.
7. Novice / Observation driver's licenses are now white instead of red.
8. If you misplace your competition license and need a replacement, there is a \$25.00 fee.

Dave Dunning is the new Assistant Race Steward this year. Dave is a Spec Miata driver, number 43 blue and green and has over a decade and a half of racing experience with ICSCC and SCCA. I'm confident Dave is going to be an outstanding Steward.

Over the past few years drivers have come up with suggestions to make ICSCC racing better, and several of these ideas were implemented. If you have any ideas which you feel would make Conference a better, safer or more fun place to race, please let me know. My phone numbers and email address are on the ICSCC website, feel free to call until 10PM any day.

2017 is going to be a great year to go Conference Racing.
