2017 Race Schedule  
Race Announcements IRDC & CSCC  
Messages from the President

### FROM THE PRESIDENT

**W**OW, time for another Memo article. By the time you read this, IRDC's Spring Enduro will likely be history or very close to history and only a couple more weeks until the first championship race at PIR on 5/6 & 7. I'm struggling this year; 5/6 is one of the THREE days of our local Halibut season this year so .... The wind will probably blow, I'm going racing. I hope it doesn't rain or I will be wishing I went Halibut fishing. Besides the normal race fun (competition and friends), I am excited to attend CSCC's 5/6 race because they are trying something new; they combined groups 3 & 6 so they could have a HPDE/Advanced School group. This was something that came up in a conversation I had with Armadillo Andy last year as a possible way to get non-racers to the track on race day, hopefully enticing them to think about getting into racing. Please be sure to be extra friendly to the HPDE folks. We have done another rule clean-up with respect to minor bicycle riders. Our Insurance Advisor, Dave Bennett, determined our current rule was overly restrictive and so we lowered the age to 12 years or older. The actual rule reads:  
1603. C. Children under twelve years of age may remain in the paddock area only under the direct, active and continuing supervision of an adult. No bicycles are allowed in the racing pit area except as they may be used by Race Officials. Bicycles may be operated in the paddock area by persons ~~over 16 years of age~~ 12 years of age and older, unless restricted by the race sponsoring club in supplemental regulations for the event. Dogs are permitted in the paddock area

only if they are leashed with a leash of six feet or less in length. The leash must at all times be held by an adult (~~over~~ 18 years of age and older) or be attached firmly to an immovable object such as a car or trailer. Dogs are absolutely prohibited from entering the pits. Dog owners are solely responsible for the sanitary condition of the paddock area and those not picking up after their pets will be subject to a Fifty Dollar Fine.

The strike-out is what was deleted and the underlined is the new text.

I shouldn't admit this but the section of the rule about how old one has to be to walk a dog surprised me and is probably a surprise to some of you. Most folks I know think their dogs are family and have no problem letting their children walk their dogs. I had neighbors who let their 4<sup>th</sup> grader walk their Great Dane. I have seen a terrier that was on a leash attack a much larger dog. So I guess I understand the rule. The person walking the dog needs to be capable physically of controlling the dog and be capable legally of being responsible for whatever happens.

Now to get my parts ordered and car prep'd (I did get my license renewed, so if you haven't done that, you better be extra nice to the registrar). I upgraded the axles on my trailer so hopefully no more breakdowns beside the road to fix a wheel bearing.

See you at the race track,  
Mike Tripp  
ICSCC President
