## FROM THE PRESIDENT

Hello all!

2022 has arrived in all of it's dystopian, apocalyptic, science fiction inspired glory. Humans are highly resilient and adaptable creatures and I am impressed with how well the people I know have dealt with the constantly evolving issues that seem to challenge us on a daily basis. Much the same as last year, everyone hopes this will be the year that things return to some semblance of normal while at the same time realizing there is absolutely no way to predict what might be ahead and at times just feels like it takes the same level of concentration as juggling chainsaws! As a result, for most people the moments that are fun and fulfilling and make our lives worth living are a bit fewer and farther between than they have been in previous years.

Well, have no fear! Your brave and hard working ICSCC Executive Board, Officers, and Volunteers have been planning a 2022 ICSCC Championship Racing Season with plenty of opportunities to race, have fun, see your friends, and make great memories. It is time to dig that car out from under the stockpile of toilet paper and bottled water in your garage and prep it for some spirited driving. If all goes as planned this year there will be **EIGHTEEN** races on the calendar held at **SIX** different tracks by the **FIVE** Member Clubs across **NINE** different weekends. Add Test and Tunes associated with most races, High Performance Driving Events, Driver Training Schools, TC's Time Trial program, and even Cascade's Time to Distance Rallies and if you can't find something fun to do with your car, or fun volunteering around cars, you just aren't trying. We eagerly anticipate the opportunity to return to Canada with SCCBC and Spokane with NWMS this year after being denied a couple years at both by circumstances beyond their control. Save a place on your Calendar for these events – a small group of people in both these organizations work very hard to make these dates possible and the only thanks they want is for you to come and have fun! In more big news, for those of you that

always tell me about your love for the ribbon of asphalt amidst the sea of Eastern Oregon grass – here is another opportunity after a prolonged absence from the schedule! Team Continental will be hosting the last race of the racing season at ORP so you should plan on showing your support for that club and track as well.

In other news, as you will no doubt see later in this issue, Brad Greco and Wes Hill have agreed to be your 2022 Stewarding team and I am absolutely thrilled to have such talented and experienced people volunteer to take on such a large responsibility in service to their fellow racers. Bill Ecker has also agreed to continue his fine work and bring back his year of experience mentoring our novices as License Director. In all cases, we couldn't be in better hands and I thank them all for sacrificing time they could be spending on their own programs to serve their fellow drivers.

Lastly – I am currently going through the testing phase to put our Competition License Application on MotorSportReg. Instead of filling out a paper application and mailing, emailing, or texting various parts of it to the License Registrar then going to Motorsport-Reg to pay for

it you will now be able to do the entire thing through a series of questions and uploads on MotorsportReg. I intend to get it up and working within the next week so watch for an email blast letting everyone know it is ready for use.

Thanks, look forward to seeing you all out there! - Rick
