16. Damage to the track, grounds or buildings, regardless of cause, will be charged to the driver responsible. Also, damage to any equipment or devices used by the sanctioning body (ICSCC) or sponsoring club (CSCC) to conduct this race, regardless of cause, will be charged to the driver responsible.

19. Anyone caught dumping oil at the raceway will be fined and banned from the raceway. This is a PIR regulation.
20. If entries exceed the number of cars allowed on the track for a particular event, drivers and cars entered as an "additional event" will be restricted from participating, on a first-come, first-served priority based on the date entries were received. This is in order to allow participation by all drivers for whom the event is their primary event, including Novices upgrading to a championship event.
21. NSF checks will be charged an additional \$50 fee.
22. The racing "hot pit" is defined as that area under the control of Hot Pits personnel. This area is located immediately west of the break in the concrete wall half way up the pit lane. Per ICSCC rule #1607, any person over that "pit wall" during practice, qualifying or races shall wear long pants, shirts that cover the shoulders, and shall not be barefoot or wear open-toed shoes. At the one-minute warning, pre-grid becomes a "hot" area. At that time, pre-grid must be cleared of all crew, support personnel and spectators. Notwithstanding the above, ICSCC rule #1607 does not apply to the pre-grid area.
23. All cars that are towed into the paddock area are subject to being dropped off in impound.
24. The 5-minute warning will be given approximately 8 minutes before the scheduled race time
25. Due to recent incidents, extension cord from the pit exit to tech/scales, must use a more secure method other than Duct Tape
26. Staggered start and split start requests shall be submitted to the race steward no later than the end of on-track activity on the day previous to the race.
