Thanksgiving is history and the holiday season is now upon us. And there is one more thing for everyone to be thankful for - you are now reading my last President’s message. Just imagine, receiving a Memo without having to read any more of my ramblings. So, if you would indulge me this one last time, I have some information you may find helpful.

The 2005 Fall meetings and the 49th Annual ICSCC Championship Awards Banquet have been completed. Again this year, the banquet had more than 250 attendees and by all accounts, it was the best one in many years. DeeAnn Lensen did an outstanding job planning and setting up the festivities. This year’s banquet had many firsts. We started the rotation system on awards, so Group 2 drivers received their awards first and Group 1 drivers received their awards last. In 2006, Group 3 will get their awards first. How much do you want to bet it is going to start raining outside as soon as Group 3 starts to walk up and receive their trophies next year? The champions in each class were able to pick a song which the DJ played as they walked up to the podium to receive their trophy. This was a huge hit with the drivers and other attendees. The songs were as varied as the cars we race and everyone in the audience was anxious to hear the next song choice. Also this year Lynn Yeo, ICSCC ROD Director, selected drivers to give out the worker awards. The drivers did an absolutely fantastic job of presentation. The many workers in attendance really appreciated receiving their awards from the racers. I hope this becomes a new ICSCC tradition. Special thanks go out to Peggy Walker for the driver prizes and to Cheryl Gilbert (2005 FV Champion) for picking out and coordinating the trophies.

The Contest Board met and voted on the 2006 rule change proposals. The results are included in this Memo. ICSCC ended the year with 421 licensed drivers and again this year the E Board did not change any of the Contest Board’s decisions. The Contest Board did amend one rule change proposal, which was Item II. The amendment was to require every driver entering the track to have a helmet sticker proving the helmet has passed technical inspection. I’m so thrilled to be part of a racing organization that allows drivers such a strong voice in the rule making process.

The Race Steward had several items approved by the E Board, which become effective in 2006. GT American, Club Sports 2000, GTP and Baby Grand were eliminated as provisional classes. Club Spec Miata, Honda Challenge 1 and Honda Challenge 4 were approved as new provisional classes. Club Spec Miata and Honda Challenge 4 will be running in Group 2. Honda Challenge 1 will be in Group 4. To alleviate overcrowding the Race Steward recommended, and the E Board approved, moving Pro 3 from Group 1 to Group 4 in 2006. **Pro 3 drivers** please take note; you will want to get your 2006 Competition License application in as soon as possible so any number conflicts can be resolved. Current Group 4 drivers will have priority in duplicate numbers.

The 2006 schedule has not been finalized yet; however, it appears IRDC is going to have a March enduro (more info elsewhere in this issue) and we may be having one additional championship race in Mission. Stay tuned to the 2006 Memo #1 for a finalized schedule.

President’s Message, continued:

After the Fall Meeting was concluded, the E Board held elections for the 2006 Race Steward, License Director and President. Art Metz will be your 2006 Race Steward, Bill Vine will again be the License Director and your new President is still a Heinrich. Linda Heinrich was elected the 2006 ICSCC President, the first woman ever to hold this position. Linda has been ICSCC Treasurer for the last three years. Many of you know her as the Cascade race registrar for the last four years and as a GP/GTL driver in the #123 red Toyota Paseo. I know Linda will do an outstanding job as your next President.

Lastly, I need to express my appreciation to the drivers, crewmembers and race workers who have made my two years as President of ICSCC so enjoyable. Remember, ICSCC would not exist without you. Your support and dedication to the sport and this organization are vital for our continued success.

There are several individuals who deserve a special thank you: Dick Boggs, Dennis Peters, Chris Bowl, Katherine Whitworth, Linda Heinrich, Ken Hill, Art Metz, Danielle Baxter, Bill Vine, Olivia Muro, driver of the year Mike Blaszczak, Lynn Yeo, Skip Yocom, Doug Jennings, Charles Denkers, Gerry Frechette, Robin Farnworth, Bob Hillison, Kevin Skinner, Mark Keller, John Bachofner, and Steve Cassell. These people are truly the orchestra of ICSCC.

Here’s wishing you and yours the merriest of holiday seasons and a healthy and successful New Year. Just as Ken Hill signed off in his last message “any questions, go ask Art”, I will sign off “any questions… go ask Linda!”

See you in 2006.
Dan Heinrich
ICSCC President, retired

Spare Parts
ICSCC (and related) News

ICSCC 2006 Spring Meeting will be held January 14, 2006 at the Sea-Tac Marriott Hotel. The meeting will begin at 9:00 am., and the room will be posted at the hotel. This meeting is open to any driver or worker in Conference. Please feel free to attend even if just for a short time. The 2006 schedule and other business affecting the 2006 racing season will be finalized at this meeting.

2006 Competition License Application is included with this issue, and is also available now on the website. Please be sure to use the current form, as it is not the same as previous versions. Note changes to some race groups and classes, as well as the Novice number range (now 300-499).
I hope Mike will forgive me for using this short quote from his recent post on the ICSCC web forum... it expresses a lot more than just what it says, and seems the best caption for this photo. Mike wrote:

As I write this, the next morning, looking over my trophy at the football games on TV, I still can’t figure out why this award is given only to an individual and not all the great people in the club. Why should I get a trophy if all I’m doing is trying to emulate the best features of the great people around me? . . . All that I want you to take away from my sappy missive is that I’m incredibly flattered and humbled. Thank you for choosing me.
Congratulations to our 2005 honorees!

Novice of the Year: Nicholas Belling
Worker of the Year: Adam Jacobsen

All photos in this issue are courtesy of Gerry Frechette, and there are many more from the banquet (and other ICSCC events) in Gerry’s albums on www.dotphoto.com.

Sign in with username gerryf and password rainbow to see them. Prints can be purchased through the site or by contacting Gerry directly at gerryf@telus.net.
A Huge Congratulation To All

The Awards Banquet for ICSCC this year was a tremendous success. There was a lot of laughter and camaraderie the whole evening.

The ROD Awards this year, being presented by the drivers, was well received by all, and we would like to thank these drivers, and hopefully this has started a tradition.

The following is a list of all ROD members that worked hard to achieve the various levels of recognition. This year there was an excellent turn out of the members to receive their award in person (25 out of 34). Over 60% of the membership earned achievement levels.

The ROD members and all the volunteers that were there that night stood and gave a huge round of applause to the drivers, crews, and long suffering families for donating over $11,000.00 to the worker fund this past season.

This awards program though, does not openly thank, recognize, and show appreciation to all the volunteers that worked hard throughout the season. It takes more than just the ROD to put on an event, and the ROD would like to say a heartfelt thank you to each and everyone of those volunteers.

2006 ICSCC Memo Submission Deadlines

Memo # 1 January 19

Deadlines are for submission of material for each issue

Advertise in the ICSCC Memo!
Reach over 450 racers, marshals and officials

Commercial Advertising Rates:
Full page $80 / issue for full year, or $110 / issue
1/2 page $50 / issue for full year, or $70 / issue
1/4 page $30 / issue for full year, or $40 / issue
1/8 page $20 / issue for full year, or $25 / issue
Commercial classified $10 / issue full year or $12 / issue

Submissions (or questions) should be directed to the Memo & Website Editor:
P.O. Box 219
Fort Langley, BC V1M 2R5
604-882-8078 or icscc@telus.net

Photos on the ‘Net!
Rainbow Action Imagery has photos of your car on the internet. At our website you can see all the photos from an event in one place, pick the ones you like, and order them online. To see your photos:
1. Go to www.dotphoto.com
2. Enter username gerryf and password rainbow
3. Pick a photo gallery to view
From there, follow directions for ordering online or contact Gerry or Sue for further info, at gerryf@telus.net or phone us at 604-734-4721.

You can post your own non-commercial ad on the ICSCC Drivers’ Meeting Forum!
Go to www.icscc.com/discus/ and check out the Buy & Sell board.
Please read the guidelines for use of the board. It is recommended that you post a notice when an item is sold, as posts are rarely culled. (Lots of ads, with lots of ‘sold’ notices, makes the board more attractive than being sparse and tidy would).

Outgoing ICSCC President Dan Heinrich and incoming ICSCC President Linda Heinrich… also known as incoming ICSCC Treasurer Dan Heinrich and outgoing ICSCC Treasurer Linda Heinrich!

Whichever way you call it, these two have done, and continue to do, an enormous amount of work, extremely well, to the benefit of everyone in Conference.

Thank you, Dan and Linda!

Hubbard/Downing Inc. Announces the HANS, Head and Neck Support® to be custom fitted and expertly serviced locally to Northwest Racers

For the first time since the inception of the HANS® device in the mid 1980’s, a nationwide servicing dealer program has been introduced to bring the information and expertise necessary for proper fit and selection of this important safety device directly to the racer. Recognizing the need to explain, demonstrate, custom fit and sell the HANS® device, a search began in 2002 to locate just the right company to present the device to the Pacific Northwest racing community.

After a very careful search, Armadillo Racing Enterprises of Bremerton Washington has been selected to represent the HANS® device to racers in Washington, Oregon, Idaho, and Montana. “We are honored that Hubbard/Downing has selected our company to bring the HANS® device to northwest racers. They set very high standards because of the serious nature of driver safety and because of the need to be sure the correct model of the device is properly fitted to the exact need of each racer. Our 17 years in the safety equipment business, selling and servicing racers trackside through our 28 ft. showroom/trailer and our respected business reputation was the reason we were chosen.”

In addition to representing the HANS® device, Armadillo Racing is your complete trackside store featuring these great products: Red Line Oil (most all oils and gear lubes in stock including Water Wetter), Safety Equipment (Bell, Simpson, Bieffe, Momo and OMP helmets, gloves, shoes, suits) and featuring Carbon-X Underwear; Goodridge Competition Plumbing; Numbers, Letters, Nuts and Bolts, stop watches, brake pads, Mechanic Wear gloves, chemicals, too much inventory to list. They also carry a great selection of racing books and fanwear. If you need it, there is a good chance ARE has it at the track on race weekends.

“Andy supplies great products at reasonable prices and has an amazing inventory at track side.”
— Alastair Lockett ’67 Mustang SPO

“Armadillo Racing & Andy Collins is Great! What’s better is dealing with real people, selling real products, and being local to boot. Thanks, gang, for being there and providing the support, education and experience.” — Rob Barker

“Andy is fair and good to deal with. Good to work with an honest person that will work with you.” — Phil Edwards RX-7

Dear Doctor: This candidate wishes to take part in motor racing events in which he/she will drive a high performance car under the most exacting and stressful conditions. Examine him/her carefully and critically, and recommend him/her if medically fit to drive without danger to himself/herself or to others. If you are not sure of this decision, please indicate below for review of this applicant’s suitability by an appropriate officer of the licensing body.

**PHYSICIANS COMMENTS (May continue on the back of this form)**

- [ ] I believe that the applicant is fit to drive a racing car in competitive events at high speeds.
- [ ] This applicant should be reviewed by an ICSCC official.

**PHYSICIAN’S SIGNATURE:** ____________________________  **Place Physician’s Office Stamp Below:**

**DATE:** ____________________________
A competition license as specified in these regulations, or a competition license issued by an approved racing organization, is required for entry in ICSCC sanctioned events. Drivers holding ICSCC licenses must use them for entry in ICSCC sanctioned events.

Any person 16-18 years of age or older may apply to the ICSCC for a competition license provided that the applicant holds a valid state or provincial drivers license, and is a member of a Conference member or affiliate club for the current year. In the event of multiple club memberships, the applicant shall select one club as his/her choice and shall name that club in the space provided on the ICSCC license application. See Section 612. The license issued will be commensurate with the qualifications of the applicant under Sections 304., 305., and 306.

For an IRR licensed driver to retain his/her competition number in each race group, he/she must apply annually for his/her competition license on or before March 1 of each year and complete a minimum of one (1) ICSCC Championship Race in that race group during that year. ICSCC Officials who may not race due to their position(s), the Race Steward and, if he/she chooses not to race, the Assistant Race Steward, need not comply with this rule for so long as they hold office, but must submit a License Application on or before March 1 the year following their last year of service as an official in order to retain their competition number.

Any Senior or Area drivers sharing one car may practice under the same number only after checking in with the Pregrid Marshal who shall then inform the Race Steward. The correct transponder for each driver must be installed and used for each track session. Novice series numbers may not be shared.

### PROPOSAL

**The Mazda RX-7 class is open to all pre-1986 model year Mazda RX-7s. All cars of this classification will run under current ICSCC Production Car rules with the following exceptions:**

#### Engine

1. Any lateral 4-port configuration and port timing is allowed (no bridge porting). Rotor housing work is limited to the exhaust port.
2. 13B engines are not allowed.
3. 12A engine components may be updated/backdated from any year engine.
4. Any Mazda RX-7 production 12A intake manifolds may be used.
5. Carburetors may be from any year RX-7. Jets are free. Venturi and air horn may be enlarged to any specifications as long as the carburetor body is unmodified.
6. Flywheels are free.
7. Headers may be used.
8. Make and type of spark plugs are free.
9. Fan belt pulleys are free.
10. Carbon apex seals are permitted.
11. Radiator fan may be removed.

#### Chassis

1. Adjustable lower control arms and/or camber plates are permitted (rod ends OK).
2. All cars must run on DOT or MOT approved tires.
3. Any ‘79-85 factory production RX-7 transmission (US model) and differential ratio may be used. Final ring and pinions are free.
4. 12A race weight is 2173 + 180 pounds with driver.
5. All cars must use 13 inch wheels up to 6 inches wide.
6. Chassis of specified years may be updated or backdated (excluding GSL-SE).
