President's Message

During the 2010 year the ICSCC introduced a new track in North Central Oregon. Oregon Raceway Park hosted its first sanctioned race on May 22 hosted by Team Continental with 172 entries. Two more successful events were staged by TC at the new and challenging ORP facility making it a fine addition to our Championship race tracks. Continuing with the tracks of ICSCC, Northwest Motorsports announced revisions will be made to Spokane County Raceway over the winter which will reconfigure the road course, eliminate the track crossing and re-join the drag strip after the quarter mile.

Sports Car Club of BC introduced ICSCC to a two day double race format for 2010 which appears to have been well received by most volunteers and drivers.

Along with the good news comes the unacceptable issue of drug abuse which has touched the Conference in 2010. Allegations of substance abuse arose early in the season with complaints from one track manager with regard to property damage at

their event and reports of drug paraphernalia being discovered on track and off property. An investigation was launched by headquarters to determine the accuracy of these allegations. The purpose of this investigation was to corroborate the facts surrounding the incident, and determine if our policies, procedures and rules were adequate. Drug and substance abuse could lead to criminal charges, which were outside of our investigation. With physical evidence no longer available, the investigation concluded that the allegations were valid. Many ICSCC members reported being aware of the problem and suspecting that it is not restricted to any one track. Headquarters sought legal advice and this confirmed the serious jeopardy such incidents present to ICSCC, its officers and its members.

A special meeting was called and mid-season rule changes to Section 6 "All Participants and Drivers" were enacted. Further; the ROD Director, working with headquarters and the Steward, is presenting a proposed code of ethics to the board for inclusion in our rules.

President's message continues...

President's Message, continued:

One extremely troubling fact kept presenting itself during the investigation. Many of our membership feel it is acceptable to tolerate this type of action despite being fully aware of the dangers that intoxication or impairment present to their own, and others safety. This must stop! We have rules in our organization for reporting and removing such dangers yet we do not use them. That must change and ICSCC is exploring the ways for committing to and promoting to a "drug free" policy in 2011.

ICSCC averaged 160.2 entries over 14 races in 2010 versus 176.2 entries over 12 races 2009 and 171.1 over 12 races in 2008. You must draw your own conclusions as to whether the decrease in race entry average was attributable to the added two races on the 2010 schedule; however at the just completed ICSCC Fall Meeting, the e-board voted to restrict each member club to a maximum of three championship races per season. Creative thinking has led to a tentative, fifteen race championship for 2011, spanning eleven weekends. This will be achieved by hosting double race weekends at Mission and ORP and a new to ICSCC, triple race weekend (3 day event) at Spokane. Competitors will need to compete in a minimum of seven races to qualify for a 2011 class championship and seven races could be available on just three weekends, should the calendar be finalized without change in the January board meeting.

We concluded the year with our annual awards banquet and trophy presentation. DeeAnn Lensen treated us all to a great evening of food and entertainment. Mike Blaszczyk was our Master of Ceremonies and his colour commentary of the past year was priceless. I will try to retain this team for 2011 so make your plans to attend now. This is a must not miss event!

Thank you to all the officers and volunteers that make ICSCC the standard by which other race organizations in the Pacific Northwest are judged. Thank you to all the membership of ICSCC who contribute to our success by supporting the events as drivers, entrants, volunteers and sponsors. We continue to grow and refine Conference by listening to our membership and acting upon their direction through the executive and contest boards. Every Conference member has a voice and a vote in the operation and the direction of our organization; the future ICSCC is in your very good hands

Leslie and I wish everyone the very best for the Christmas Season and may we all have a Happy New Year.

Kevin Skinner
2010 ICSCC President

Minutes of the 2010 ROD Meeting November 13 2010 at SeaTac Marriott Hotel

Meeting was called to order at 9:10 am by ROD Director Lynn Rimmer. 15 members in attendance.

Agenda

1 "Code of Conduct" discussed. Lynn advised that this will be implemented as of January 1 2011 although the wording may be altered to be based on the existing Code of Conduct used by CACC. It was clarified that participant does include everyone at the event, not just drivers and crews.

2/3. Getting back to basics and continuity for F&C for ICSCC events; re-training/refresher course. Discussed the need to have good morning meetings to go over procedures, Communication – the head of communications needs to repeat the calls as they should be made. There is a need to tighten up calls.

4. Recruiting. There are various avenues open to us, especially singles clubs. We need to get the website up and running, use Facebook and Twitter. Need to use the business cards that have been produced. Get involved in car shows. Conference will pay for promotional materials needed. Various incentive programs discussed, such as a discount on dues for bringing new people out. We also need to encourage drivers to bring in someone. We must also have a formal process for having new volunteers get information from their local club via the ROD rep and ensure they are made to feel welcome.

5. Discussion on awards based on a percentage of championship races attended (does not include events such as Enduros). All agreed we should use the percentages suggested.

6. White flag/Pace car. Lengthy discussion on use of waving white flag for pace car plus the last car in the pack. We would like to see the rule changed to be used for last car in the pack behind the pace car only. Motion by David Bell, seconded by Thomas Liesner. A waving white flag will follow the last car in the pack. Unanimous all in favour.

7. Other business. It was agreed that minutes of these ROD meetings would be taken and that they would be put into the Conference Memo.

Discussion on the number of races on the schedule. ROD recommends that the number of race weekends be reduced.

Meeting adjourned at 12:05pm.

Respectfully
Ann Peters

Notice of Appeal

#474 appealed the Steward's decision involving the penalty assessed in the Group 4 race at Oregon Raceway Park, 10/3/2010. Upon reviewing the facts involved in the incident and further investigation, the Stewards have decided to grant the appeal and amend the decision. The original infraction was written as a violation of CR 1517 - Dangerous Driving. The rule violated has been changed to CR 1517.A – Avoidable Contact.

All bids must be received at ICSCC headquarters by Jan 5, 2011.

Memo Editor's Note:

The preceding notice is published in accordance with a new ICSCC policy requiring that the Memo Editor position be opened to tender. It should not be taken to suggest that the position is currently vacant. Material for publication, inquiries, etc., relating to the ICSCC Memo should be directed as usual to the Memo Editor as listed inside the front cover. Notice of new Memo Editor contact information will be posted if/when applicable.

ROD 2010 - "WHAT A YEAR"

Season opened with the indoor go-kart challenge arranged by the Ground Pounders, which helped raise funds for the ROD. ROD Members sported a new ROD crest this year, that the costs of were generously covered by the Ground Pounders and Randy Blaylock.

- Team Continental gave us a new fun track and took very good care of us.
- SCCBC tried a new 2 Day 2 Race format this year. The volunteers liked the format.
- IRDC brought on board new "Special Races". These were a big hit and thoroughly enjoyed by all.
- NWMS worked diligently to continue to build their local worker base and the result was excellent, and the arrangement for perfect weather was greatly appreciated.
- CSCC made sure all were taken care of for the sweltering heat on one of their weekends, and then almost had to supply pontoons on another. They had us covered for everything.

The PRO3 drivers this year at Doernbecher had all the volunteers sit and served us our dinner on Saturday. That was such a treat and very much appreciated. They also supplied the ROD with signed calendars again this year, and those are always a big hit. Our Stewards, Bill and Tom, had our backs again and we tried not to give them too many headaches. Randy Blaylock turned out some really good Novice drivers this year and always listened to the concerns of the workers.

This support shown the workers should never be taken for granted. Thanks is not enough.

We will see you all in the spring.

Lynn Rimmer, ICSCC ROD Director

Announcing 16th Annual High Performance Racing Seminar

Don't spend another cold rainy winter day watching racing reruns on TV. Step out and join an enthusiastic group of your fellow racers and crews getting a jump on the 2011 season. How? By attending America's longest running racing seminar where you will be overwhelmed with insider secrets and instruction to put you in front of the field when the racing season gets going.

◆ Mark your calendar so you do not miss out on this mind-expanding experience **Saturday February 12, 2011 Tacoma, WA.**

◆ Speakers are being confirmed now. Past speakers include the late Carroll Smith, Ross Bentley, William C. Mitchell, Ryan Falconer, Jay Ivey, Terry Borchellor, Peter Brock, Bruce McCaw, Jim Downing, Dr. Bob Hubbard, Lee Stohr, Bob Earl, Jeff Braun, John Morton and many more. 2011 speakers will share their knowledge such that you'll be crying that your brain can't take anymore.

◆ You will just plain have fun while you are reaping the benefits of

vast quantities of coaching that you can't get anywhere else in one day.

Here's what just a few comments from last year's seminar:

"Great cast of speakers. Ross Bentley provided enough information in the first 30 minutes of speaking to easily double the cost of the seminar in value." – **Fred Harnishfeger** - '67 AH Sprite

"Armadillo Racing's seminars are always a terrific learning experience. The speakers are tops in their field of expertise." – **Frank DiMiceli** - Mazda Miata

"Most seminars you're lucky if you walk away with one or two good ideas. At the Armadillo seminar I bet I took a dozen ideas that I can't wait to practice." – **Jim Cissell** - BMW PRO3

For complete seminar details and a list of speakers (posted as they confirm) and for early registration to ensure a seat go to www.armadilloracing.com or call toll free **1-888-211-9129**.

Guarantee: *If after hearing the morning speakers for three hours, you are not totally thrilled by the knowledge you have gained, I'll refund your entire seminar registration fee plus \$25 for wasting your time! With this guarantee you have nothing to lose except valuable seconds off your lap times. — Armadillo Andy*
