

# ICSCC MEMO #1 FEBRUARY 2018

*The Official Publication of the  
International Conference of Sports Car Clubs*

## IN THIS ISSUE:

Messages from the President, Race Steward,  
ROD Director, & Licence Director  
2017 Worker Fund Reports  
2018 Licence Application

## FROM THE PRESIDENT

Hello, its February and time to start thinking about racing if you haven't already. I was looking for my message from last year at this time to see what I found to write about and couldn't find it on my desktop, hum. So I went to the ICSCC website and navigated to memo #1 from 2017. The last paragraph of the president's message explained why it was not on my desktop. Last year at this time we were basking in the sun on Maui. No such luck this year, but the wind and rain have let up momentarily and the sun is shining brightly. We're supposed to get a light dusting of snow with 50 mph wind gusts tonight. (update: we got ~ 1 inch of snow last night but its melting now)

Now back to racing and Conference news. After Dave Bennitt's plea at the Banquet, Steve Clinton stepped up and volunteered to be our License Director for 2018. He was ratified at the Spring Meeting held on January 6th. We also finalized the race schedule and 2018 budget along with a few rule change clean-ups. Based on lack of entries over the last few years, TC will not be holding a race in 2018 although they are holding a driver's training March 24th. Also due to lack of participation, IRDC will not be holding a spring enduro in 2018 although Cascade will be holding their Fall enduro on September 29th. A little earlier to see if that would promote more participation (and hopefully a higher probability of decent weather, maybe they are correlated). To avoid a conflict with Indy Cars at PIR over Labor Day (yes INDY CARS), SCCBC races are being held July 28th & 29th.

One other notable item from the Spring Meeting was the acceptance of a new Associate Member Club; SOVREN. Andy Collins was elected president of

SOVREN and wanted to see if becoming an associate member club within ICSCC would make both groups stronger. After a significant amount of discussion our Eboard members voted to accept SOVREN. This doesn't change the acceptance of SOVREN licenses for ICSCC races, but it does allow a SOVREN member to apply to get a conference license without joining another club. Many of us on the Eboard are hopeful that this will result in a vintage group racing at some of our events.

I did get some bad news, Erica Bailey our 2017 Banquet Coordinator is moving to Colorado so I once again have to add a plea for a volunteer to be our 2018 Banquet Coordinator to memo #1. Please consider volunteering.

After leaving it set for most of a year, the mechanicals are pretty much done on my new car. I started it yesterday. Now to finish sanding and paint. Not to worry, it will be white and you'll still be able to recognize it, at least after the first race. Dan Heinrich chose the cover color for our manuals this year in homage to my old car. You'll understand when you get a manual :o)

Bye for now,  
Mike Tripp  
President ICSCC

## STEWARD'S CORNER

Hello Conference Enthusiasts,

Welcome to the first Steward's Corner of 2018. I follow in the footsteps of my friend Dan Heinrich. I will strive to maintain the high level of clean, competitive and safe racing that he promoted and achieved. For those of you that might have "missed the memo" I introduce Scott Morton as the Assistant Steward for 2018. He will be the Big Kahuna Steward for 2019, so be nice to him. We are all lucky to have him as Assistant Steward.

No races have occurred in 2018 yet, so I can not compliment you on your stellar driving yet. I can make a two requests to help the year get started smoothly.

Remember the RATs meeting, March 10 at the Best Western in Dupont, Washington. This meeting is what I consider the start of the racing year. You are all invited. I hope to see many of you there.

Apply for your racing license early. Waiting until the last minute is nerve racking for you and a form of slow torture for Linda, our charming License Registrar.

I also have two requests for all of you drivers when the racing gets started: 1.) Run video whenever you can. 2.) Review the rules for the class you are running in especially your minimum legal race weight (if your class has a minimum weight).

Video is exceptionally useful for Scott and me. When available, we use it to assess what really happened when contact, passes under yellow, off-track agricultural experiences and many other alleged infractions occur. Often video from a car just before the incident of just after the incident can help us give us a great view of what occurred. The more information we can get, the better we can do our job. Thank you in advance.

Try to read through the rule book. I make the special request that you know the class you are running in and you know your minimum weight (if your class has a minimum weight). Not trying for subtlety here: The

photo by Kevin Skinner

class designation you run in must be clearly written on both sides of your car. Our weight rule states it is strongly encouraged that your minimum weight (when you have one) is written on both sides of your car. Any car without weight race stickers that attends scales must present their log book with correct and current weight information." Many of you would be surprised how many cars pass over the scales and the driver does not know their minimum weight and sometimes does not know the class they are entered. Let's all be helpful to the volunteers that run the scales and help them out here.

And always, try to have fun. I have found, if your car runs well and you do not bend up any metal racing is always fun. Sounds simple does it not? See you all out there soon.

Thank you for reading! Working for you!

Steward Dave

## FROM THE ROD DIRECTOR

Conference has a new Race Officials Division director. Lynn Rimmer, the former director talked me in to taking the position. My name is Rob Jacobsen. While most workers know me, many drivers may not know me other than as a familiar face at the track.

I've been involved in motorsports since 1970. I started out participating in TSD Road Rallying in San Diego, CA before the ink was dry on my drivers license. A couple years later, my family relocated to the Spokane, WA area where I continued to rally.

While living there, I heard about ICSCC racing up at Deer Park, north of Spokane. I started working corners at Deer Park in 1979. I relocated to Longview, WA in 1981. I've been spoiled by being less than two hours away from now 3 different tracks.

Since then, I've worked most of the tracks on the west coast with few exceptions. I've also traveled to tracks like Heartland Park and Road America working the SCCA Runoffs. If you race with Conference, SCCA or Lucky Dog Racing League, your likely to find me there as well. I've worked most of the different specialties over the years, but most of that time was spent on the corners. These days, I'm usually found driving either a Safety Truck or a Pace Car.

Hopefully, I can figure out this new occupation with Conference before long. I won't be wasting ink in the Memo going forward. I just thought I should introduce myself.

Have fun in the coming season.

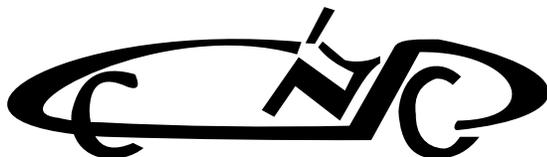

Rob

## FROM THE LICENSE DIRECTOR

I'd like start by acknowledging and thanking the License Directors that have come before me. Conference has a fantastic heritage and a big part of that is the novice program that has produced so many good drivers. Specifically, I'd like to thank former Directors Mark Estes, Bob Mearns, and especially Randy Blaylock. These gentlemen have been great mentors for me as I learn the in-and-outs of this role. I only hope I can live up to the standards they have set.

As I've pondered what I'd like the novice program to accomplish this year a few objectives came to mind. First, provide a valuable learning environment for our newcomers. Second, encourage a fun and friendly environment. Third, grow the popularity of the novice program (and indirectly participation with Conference).

To accomplish these objectives, I need all of your help. Fortunately, there are a ton of ways you all can get involved. We'll need senior driver observers to take notes during the novice races. Or maybe you can join in at the end of the novices races to cheer on our rookies as they exit the track. Perhaps you can invite a

photo by Kevin Skinner

novice to hangout for a beverage Friday night or Saturday after the races are over. Possibly, introduce yourself to a novice and offer your help if they need it. Even a simple "Hello and welcome to Conference, thanks for going racing with us" can go a long ways.

I'm looking forward to a great 2018 race season. See ya'll at PIR in May.

Thanks  
Steve Clinton  
2018 License Director  
GT-1/SPO #9

# “Time to Gear Up for the New Season”

**Driver's suit getting old, faded and looking a little worse for the wear?** How about treating yourself to a new stylish, cool, light weight and comfortable suit from OMP.

**Gloves worn out and seams coming apart?** Chose from traditional, anatomical grip (pre-curved for reduced stress), seams on the outside for comfort and different grips on the palm. We have the glove that meets your needs.

**Driving shoes don't give you the pedal feel you want?** OMP shoes give you great feel and are comfortable.

**Underwear, balaclava, and socks – We've got exactly what you need to outfit yourself for the 2018 season.**

**Don't forget your helmet. Choose from one of these options:**
