THAT'S A WRAP ON 2025!

LETTER FROM THE PRESIDENT

The 50th Annual Festival of Endurance was held by CSCC on Oct 11th and has been completed. We didn't quite get the turnout we wanted but the weather was well for the time of the year.

Next up on this year's agenda is the Fall meeting and Annual Banquet which will both be held on Nov 8th at the Best Western Beach Hotel located in Silverdale, WA. Our VP Rick Bostrom has sent out an invitation email to sign up for the banquet using Motor Sports Reg. Make sure to decide whether you want prime rib, roasted chicken or vegetarian for your main dishes. There is also a link for a reduced room price if you need a room but don't wait for the last minute. Please sign up early so the hotel can adequately plan for the number of people attending the banquet.

At the fall meeting we will be coming up with next year's tentative schedule as well as approving rule changes that have been submitted to our steward this fall. IRDC is heading an agenda item to discuss how to even out the classes within the current group schedules or changing the classes within the groups. Not an easy task because we try to keep close class racing and the numbers of entries within each group and still allow for racers to have the opportunity for racing in a second class. You also must figure in a weekend rotation as well.

I also believe this is the second last memo of 2025 and I want to thank our memo editor Rebecca Paquette for all the work she has put into this year's memos. Please let her know if you have any improvement items or pictures for her to add to upcoming memos. Also let her know if our mid year change on sending the memo directly to everyone via email was welcomed or if you have a better idea.

As always, I want to thank all the volunteers that helped to make our sport great.

Hope to see everyone at the fall banquet.

– Duane Martinsen
2025 ICSCC President

STEWARD'S REPORT

Hello Conference racing family,

With Cascade's enduro in our rearview mirror, the full 2025 racing season is behind us. Clubs are already working hard on their 2026 schedules and submitting proposed dates to their respective tracks and ICSCC for approval. Contest Board votes have been received, tallied, and will soon be sent to ICSCC's eBoard in preparation for the fall meeting.

I want to say thank you to all the Conference clubs for a great year. Thank you for all the many hours of hard work from all the workers that put on all the events we get to participate in all year long. I want to say thank you to all the drivers for being part of Conference this year – it was a pleasure being your Race Steward; I had fun, I learned a lot and made some new friends in the Conference racing community. If that sounds like something you'd like to experience, please consider a turn at Stewarding. I can say with confidence that it is a rewarding experience, and without volunteers to fill roles like this, ICSCC as an organization suffers. I also want to thank Steve Paquette for being my Assistant Race Steward this year.

While racing is done for the year, we do have one more ICSCC event – our end-of-year awards banquet. I hope to see many of you there – it is a great time. If I don't see you at the banquet, then I look forward to racing again with all of you next year. Not entirely sure what I'll race next year, but I'll be in something!

Steward Brian, out.

- Brian Anderson, ICSCC Race Steward

ENDURO CORNER

The 2025 ICSCC racing season is complete as is the 2025 Northwest Mini Enduro Championship Series. Congratulations to the NWMECS Champions – Knut Grimsrud and Lee Storgaard tied for first place in MSR while Ryan Knox took home the MEO title. Matt Dawson won ME1 while John Houlihan won ME2. Rounding out the champions were Blaine and Eric Weller who ended tied and shared the ME3 title. Other drivers who took home trophies were: MEO – Bryan Kropp (2nd place, -9 points) and Adam Achepohl (3rd place, -3 points). ME1 – Jack Curtis (2nd place, -5 points) and Richard Fults (3rd place, -7 points). ME2 – Rob Scholl (2nd place, -25 points) And in ME3 – Martin Rohde (3rd place, -32 points) Congratulations to all these drivers for an outstanding year!

The final racing event on the ICSCC calendar and the final endurance race of 2025 here in the Pacific Northwest was Cascade's Festival of Endurance. The 2, 4, and 8 hours races took place on a showery Saturday, October 11th at Portland International Raceway. Congratulations to all the teams who took part in the 50th annual event! We'd also like to extend a huge thank you to all the volunteers who help make events like these happen all throughout the year!

From left to right – Bristow's Bombers (2), func_motorsport (1) (O/A winner in each of the three races), Velocity Group Racing (3).

ENDURO CORNER

The Big Winners: 8 Hour – 1st in E1 and 1st overall was func_motorsport in their BMW E46. Second overall and 1st in E2 was Team MDR in a Porsche Boxster. Rounding out the overall podium was 321 Purple Haze who finished 2nd in E2. Other 8-hour class winners were: Son of Andre in E0 in their Ford Mustang and Bunny Boys Racing in E3 in their Mazda Miata. In the 4 Hour – 1st in E1 and 1st overall was func_motorsport again in their BMW. 1st in E2 and 2nd overall was 321 Purple Haze. And rounding out the 4-hour overall podium and 2nd in E1 was Richard Fults. Other 4-hour class winners were: Son of Andre in E0, Bunny Boys Racing in E3, and Grimsrud/Storgaard/Minshall/Sterner in ESR. In the 2 Hour – 1st in ME1 and 1st overall was func_motorsport who swept all three races! 1st in ME0 and 2nd overall was Ryan Knox, and 3rd overall and 1st in ME2 was 321 Purple Haze. Other 2 hour class winners were Bunny Boys in ME3 and Grimsrud/Storgaard in MSR.

As it is in most years, it was great to see a few new teams and new faces in attendance at this year's Cascade enduro. Unfortunately, the event had a pretty lousy turnout which puts a big question mark on whether or not the event returns next year.

Until 2026, have a great off season and look forward to seeing everyone next year!

"PRICES TOO LOW TO ADVERTISE ON THE NEW SNELL 2020 HELMETS"

- Snell SA2020 helmets will be legal through 2031
- You can make a great deal on our SA2020 helmets to help us clear our inventory for the new SA2025
- You can choose Arai, Bell, Pyrotec and Roux in stock now and they must be moved

Call or come by today to get a great helmet at a great price.

Roux

Roux offers features never before found in a helmet: Built in radio mic and speaker ear cups, Safety Helmet release system, installed cooling system, drink tube, HANS Anchors and more.

Bell

An American tradition, worn by the top professional drivers. Designed for whatever type of car you drive from sedans to formula cars. The 2020 Bell helmets are incredibly lightweight with options such as forced air, aerodynamics, or carbon fiber.

Arai

Arguably the safest helmet in the world. Only helmet to pass Snell certification the first time every time.

Pyrotec

Air flow with corrugated ridges inside which allows for better heat transfer to keep you cooler and reduces fogging.
