

COMPETITION LICENSE REQUIREMENTS CHECKLIST

Applies to:

ICSCC International Road Race License (IRR) - Gold Card

ICSCC Area Road Race License (ARR) - Silver Card

ICSCC Observation License (OBS) - White Card

ICSCC Novice License (NOV) - White Card

You will need each of these License Requirements **BEFORE** you start your online application because some of them will need to be uploaded as part of it:

- 1) **All licenses listed above require that you also join an ICSCC Member or Affiliate Club with the same duration as the ICSCC Competition license you are applying for (1 year or 2 year).** Use the [Member and Affiliate Club List](#) to choose from the eligible clubs. Make sure you have a picture of your membership card or payment receipt so you can upload it when requested as a part of the ICSCC License application.
- 2) **If applying for a 1 or 2 year ICSCC International Road Race License (IRR) Gold Card** you will also need to have a doctor perform a physical examination and have them fill out the ICSCC Physical Exam Form and stamp it at the bottom so you can upload it when requested by the application. That form can be found here: [Forms Page](#). NOTE: Drivers 70 and older are not eligible for a 2-year IRR License due to the requirement for a Physical Examination every year.
- 3) **If applying for a 1 or 2 year ICSCC Novice License (NOV) White Card** you will need a certificate verifying that you have completed a Novice School acceptable to the ICSCC License Director. Have this ready to upload as part of your application.

Although not required for ARR, Observation, or Novice licenses – A physical examination is highly recommended

All applications will be reviewed by our License Registrar, if you have any questions about the application process please feel free to contact them at license_registrar@icscc.com, they are happy to help. Licenses will typically be processed and mailed 2-3 weeks after receipt of a completed application. Licenses needed sooner than this may incur an expedite fee. ICSCC licenses expire on December 31st.

If you are applying for an Observation or Novice License, the License Registrar will immediately inform our License Director so they can plan to make your entry into ICSCC racing easy, fun, and safe. Both Observation and Novice applicants will want to establish good communication with the License Director as they will be helping you acquire the knowledge and experience to be promoted to unrestricted IRR or ARR licensing. The License Director can be reached here: license_director@icscc.com. Our Novice Guide and General Novice Info can be found here: [Novice Program](#).

Note: When upgrading from an Observation or Novice license to an International or Area Road Racing License it will be converted without additional cost whether 1 or 2 year duration.

NOW YOU ARE UP TO SPEED ON THE REQUIREMENTS NEEDED IN ORDER TO START YOUR COMPETITION LICENSE APPLICATION – Application is on the: [Forms Page](#)
