

## International Conference of Sports Car Clubs Group 3 and 6 Survey

- Preamble:**
- As you may be aware, Groups 3 and 6 are suffering a shortage of entries.
  - This is a concern as these groups offer competitive and exciting racing.
  - To that end this survey has been sent to you to get your views on the reasons for the drop-off in entries.

**Please check as many of the answers to the questions that may apply to your circumstances**

- |  | YES                      | NO                       |
|--|--------------------------|--------------------------|
| - Are you now a competitor in either Group 3 or Group 6?   | <input type="checkbox"/> | <input type="checkbox"/> |
| - If positive actions were to be taken, would you be likely to return to racing in either of those groups? | <input type="checkbox"/> | <input type="checkbox"/> |
| - Do you still have your Group 3 or Group 6 race car?  | <input type="checkbox"/> | <input type="checkbox"/> |
| - If not currently racing what year was your last season?  | _____                    |                          |

**Why did you leave the groups? (Check as many as you need to)**

- |  |                          |
|--|--------------------------|
| - Personal circumstances changed.          | <input type="checkbox"/> |
| - Job market / economy changed.            | <input type="checkbox"/> |
| - Costs of racing no longer sustainable.   | <input type="checkbox"/> |
| - Conditions in the group not sustainable. | <input type="checkbox"/> |
| - Moved to another Race Group.             | <input type="checkbox"/> |
| - Moved to another sanctioning body.       | <input type="checkbox"/> |
