YEAR-END WRAP UP!

REMEMBERING LINDA BLACKBURN

By Gail Fetterman

Linda has been involved with racing I would guess close to 55 or more years. As I know she started as a driver, driving a VW Bug. She excuse herself from racing for a couple years, but then came back. She would open her apartment to anyone who needed a place to stay during our race weekend. She has had many of our Canadian volunteers on her floors.

Linda has been on the Board for CSCC many times and many years. She has been involved with every Conference clubs. She has been CSCC Timing and Scoring Chief for as long as I have known her. If there was someone before her, I don't know. She was stepping down this year, but she was still planning on being involved. She helped with T&S at IRDC and NWMS. She helped in Pre-Grid at ORP for TC. I think she may have been involved at some time with CSCC Pre-Grid.

If anyone had question about the past, they just had to ask Linda. She was involved with helping plan the Worker Fair at PIR and she was quite often in charge of the Roaster Show at the Expo Center that CSCC attended. She volunteered and drove in CSCC Rallies. Linda was involved with so many aspects of racing, is hard to remember all that she did.

Linda and I have worked and traveled together for many years and I will miss her terribly. She and I loved Jeopardy. Linda leaves behind a daughter Paula and a son Mark. She also had grandchildren.

Right now I have no word on a memorial with the family. If some would like to send cards, the address for her daughter Paula Strange is:

Paula Strange
3413 NE 79th Ave.
La Center, Wash 98629.

STEWARD'S REPORT

First off, I would like to thank all of the drivers and volunteers for a great 2025 race season. I had the opportunity to talk one on one with many of you and get to know you a little bit. I would like to especially thank Brian Anderson for his leadership in the Chief Steward role for 2025 and Duane Martinsen for his role as President the last couple of years.

Going into 2026 we have one big change that I would like to share with everyone. The run groups have been restructured to better reflect our current attendance. The new run groups, as voted on in the fall meeting, are:

Group 1: SPO,M,U, ST1, SM, CSM, HT, CR

Group 2: PRO3, PRO7, PRO44, ITX

Group 3: "Club Choice"

Group 4: GT1,2,3, AS, ITE, SST, ST, SE46

Group 5: ITA,B,C,S, GTL, CT4, E,F,H Improved
Production, ST2, ST3, ST4, ST5

Group 6: CF, FF, FA, FM, FC, FL, FV, B-C-D-E-F SR,
CC4, Novice Open Wheel

I am looking for an assistant steward and this is a great opportunity to get involved. As a driver, being a steward has deepened my understanding of racing as a whole. If you're interested in stepping up into this position or have questions, please contact me at 604-374-6364.

Here's to a wonderful 2026 race season!

-Steve Paquette, ICSCC Chief Steward 2026

NOVICE CORNER

As we close out another exciting year in our racing community, I am thrilled to highlight Jessica Morton, who was recognized at the ICSCC End-of-Year Banquet as this year's Novice of the Year.

Jessica has made a remarkable impression in her first season, demonstrating not only skill and determination on the track but also the sportsmanship and dedication that define our community. Her enthusiasm, professionalism, and support for fellow competitors have set her apart and made her a role model for all novices. Being honored at the ICSCC banquet is a testament to her hard work and commitment.

At the same time, I want to recognize the efforts and achievements of all our racers this year. Each of you contributes to the spirit, energy, and camaraderie that make our racing community so special. Your dedication and passion for the sport continue to inspire and push our organization forward.

As we look ahead, we're excited for the coming race season and the new challenges and milestones it will bring. To all of you continuing your racing journey or returning to pick up where you left off, we look forward to supporting you and being part of your story every step of the way.

Please join me in congratulating Jessica Morton and celebrating everyone's contributions to a successful year.

Call, text, or email to determine the right SA2020 helmet from our inventory

"PRICES TOO LOW TO ADVERTISE ON THE NEW SNELL 2020 HELMETS"

- Snell SA2020 helmets will be legal through 2031
- You can make a great deal on our SA2020 helmets to help us clear our inventory for the new SA2025
- You can choose Arai, Bell, Pyrotec and Roux in stock now and they must be moved

Call or come by today to get a great helmet at a great price.

Roux

Roux offers features never before found in a helmet: Built in radio mic and speaker ear cups, Safety Helmet release system, installed cooling system, drink tube, HANS Anchors and more.

Bell

An American tradition, worn by the top professional drivers. Designed for whatever type of car you drive from sedans to formula cars. The 2020 Bell helmets are incredibly lightweight with options such as forced air, aerodynamics, or carbon fiber.

Arai

Arguably the safest helmet in the world. Only helmet to pass Snell certification the first time every time.

Pyrotec

Air flow with corrugated ridges inside which allows for better heat transfer to keep you cooler and reduces fogging.

LETTER FROM THE EDITOR

With the new year quickly approaching I find myself in that place of reflection. This year I was given the opportunity to immerse myself in racing in the Pacific Northwest and become a part of the community that has been built here. Through the memo, volunteering at races and working with IRDC, I've learned so much from so many wonderful people the past twelve months. I thank each and every one of you for your support as memo editor and assistant race chair with IRDC.

I look forward to joining you not only in the paddock but also on the track next year! Have a safe and Happy Holidays and here's to 2026!

- Rebecca Paquette, ICSCC Memo Editor 2025
