LETTER FROM THE PRESIDENT

Hello Conference Family!

The 2026 ICSCC Championship season is done. I want to congratulate the 2026 champions:

BSR = Hal Strong

CT4 = Guy Berry

FM = Mel Kemper Jr.

PRO3 = Isaiah Dummer

SE46 = Anthony Lo

SPM = Ryan Knox

CC4 = Cem Aykan

FL = George Doran

GT2 = Rocky Crocker

PRO86 = Colin Koehler

SM = Dave Dunning

SPU = Stewart Quam

I can't believe we're already at the end of the season—well, almost. We still have one more race to go: the IRDC Linda Blackburn Memorial Invitational on October 17-18. This event is non-points, which means it's the perfect chance to shake off the pressure, enjoy the competition, and simply race for the fun of it.

Thank you to everyone who helped us navigate and complete the 2026 season. Our Fall Meeting and Banquet will be held on November 14. For those who have conflicts with that date, we hear you, and we'll work toward selecting a more accommodating date for next year.

As we wrap up the season, I strongly encourage every licensed driver to participate in their club's rule-change meetings. There are several important proposals on the table this year, and your voice truly matters.

That's all for now—looking forward to seeing you at the Invitational and at the ICSCC banquet!

See you soon.

LETTER FROM YOUR STEWARD

Hello fellow racers,

The event in Portland saw what I think is a first for conference - two championship race events held on one day. I want to thank everyone for keeping everything so above board that we were able to keep the schedule tight. There were no major incidents so I was able to get qualifying and race results approved quickly.

I have one more event as your ICSCC Steward - the IRDC Linda Blackburn Memorial Invitational. This is a more relaxed event with a focus on getting as much track time as possible. After that I will be passing the reins over to your steward for 2027. Let's make the last one of the season a great one!

See you at the track,
Steve Paquette
ICSCC Steward

Analyzing your racing lap after lap

"Videos Are For YouTube, Unless You Want To Analyze Your Racing For Faster Lap Times"

Do you have a camera in your race car? If not then you are missing a great opportunity to improve your lap times. Here are a few functions to help you improve -

- See each lap so you can improve on your next session
- Get analysis from your driving coach
- Compare changes made while driving
- Oh and gain valuable information on your competition

Here are two great camera systems that will work for you:

**Mention this ad and receive
\$50 off the Race-Keeper (\$399) or \$100 off the
Catalyst I (\$999.99) or the Catalyst II (\$1199.99)**

Race-Keeper with two cameras

The Race-Keeper offers ultra-high video logging for motorsports and track use. The system has both front and rear cameras and can be turned on when the car reaches 15 mph. For more about the Race-Keeper go to this link:
<https://www.race-keeper.com/>

Garmin Catalyst

The Garmin is an industry-first "coach" that you mount in your cockpit for track driving. It gathers performance data, gives real-time audible coaching and offers immediate session analysis to help improve your driving line, braking and lap times. Ross Bentley and Don Kitch discuss the Catalyst
<https://www.youtube.com/watch?v=aZBpBxpRZ90>

Both systems will help you improve your driving. Stop watching other people's videos, make your own and then study and review them for lower lap times.

"Could not ask for more quality of service. Unbeatable selection, Armaddillo will get everything I need." **Flavio DiMede - BMW 330**

"Armaddillo racing continues to keep the Puget Sound region up to date with the latest in motorsports." **Mike McAleenan - Lamborghini Huracan**

"We are so fortunate to have this business to support us. None Better, totally committed to customers." **John Rankin - Beach Sports Racer**

"I really appreciate Andy and Armaddillo Racing's service to the racing community. If he doesn't have what I need he always gets it quickly." **Randy Johnson - 1996 IR0C Pontiac**

"If you need any race car parts or supplies, Andy Collins at Armaddillo Racing is your man. His knowledge is 2nd to none, he's there at the track for most every racing, and his prices are fair." **Jim Cissell - BMW PR03**

A NOTE FROM THE PRESIDENT OF CSCC

As President of Cascade Sports Car Club I would like to thank everyone who came out to support the last CSCC Race Weekend of the year.

We had a great 3 day weekend event starting with a solidly booked HPDE and TnT day Friday, Fun and Busy Double Race Day on Saturday and for the first time the Festival of Endurance on Sunday mixed in with a race weekend.

Special Thank You to all of the Volunteers & Race Chairs, without them us race car drivers would not be able to have the fun we have!

All the best,
Robert Paxman, President, CSCC

ENDURO CORNER

The 2026 Northwest Mini Enduro Championship Series is complete. Congratulations to the NWMECS Champions – Knut Grimsrud and Lee Storgaard tied for first place in MSR while Ryan Knox took home the MEO title. Anthony Lo won ME1 while Colin Koehler won ME2. Sorry Colin, skipped right over him at the trophy ceremony!

Rounding out the champions was Eric Weller who took home the ME3 title. Other drivers who took home trophies were: MEO – Bryan Kropp (2nd place) and Eric Krause (3rd place). ME1 – Matthew Richard (2nd place) and Richard Fults (3rd place). ME2 – Matthew King (2nd place) and Fil Alleva (3rd place). And in ME3 – Steve Webb (2nd place) and Scott Webb (3rd place). Congratulations to all these drivers for an outstanding year!

Also taking place on the same day as the 2-hour NWMECS finale was a 4 and 6 hour race. These races together make up the Festival of Endurance. Congratulations to func_motorsport and drivers Corey Peters, Matt Lowell, and Bryce Scott on taking the 6 hour overall and E1 class win. The 2 hour and 4 hour overall winners were Knut Grimsrud, Lee Storgaard, Brad Greco, and Jason Sterner in a Radical Sports Racer. The full results are posted on the ICSCC website. We'd also like to extend a huge thank you to all the drivers and teams, along with the dedicated volunteers who attended the festival and all the races this year. If it wasn't for all of you, Conference racing wouldn't exist!

There is still one more chance to get some Conference racing in this year at the Ridge. After that, we bid farewell to 2026 so until 2027, have a great off season and look forward to seeing everyone next year!
