| 44 | 328 | 1 | 5 | VMSC | 1A.F E/C | No person except for the Race Steward and any other ICSCC Official who must request the Race Steward to submit the proposal , may place any item on the Contest Board agenda that does not have the majority approval of at least one member/affiliate club. ICSCC officers may submit rule changes pertaining only to their jurisdiction. If a proposal does not have the approval of at least one member/affiliate club, it cannot appear on the Fall Contest Board Agenda. <u>The Race Steward(s) shall not propose themselves but may point out contradictions and/or errors in the rules and proposals to the Executive and Contest Boards for them to take remedial action as they deem fit.</u> (Cross Reference - PPM, 6.1.5). |
| 31 | 341 | 2 | 18 | VMSC | 502.A C | In order to qualify as a finisher, a competitor must complete not less than 50% of the number of laps completed by the class winner <u>and take the chequered flag</u> . If there is only one car in class, the competitor must complete not less than 50% of the number of laps completed by the overall race winner to receive first place trophy and points. In both cases if an odd number of laps, round to the next lower number. In the event of a red flag race, see 702. |

| 139 | 233 | 3 | 18 | CSCC | 502.A C | All positions are scored except as noted: <u>DNF/DNS score a maximum of 11th place points. The number of laps completed shall determine position for DNF's. If two or more cars DNF, but complete the same number of laps, they shall be awarded the same points. All DNS's score the same number of points.</u> In order to qualify as a finisher, a competitor must complete not less than 50% of the number of laps completed by the class winner. If there is only one car in class, the competitor must complete not less than 50% of the number of laps completed by the overall race winner to receive first place trophy and points. | 5 | 389 | 8 | 28 | VMSC | 714 E/C | All class winners shall be weighed when applicable and where possible <u>when the scales are present and functioning</u> . When the class winner is weighed, it is recommended that at least second and third place finishers in the class be weighed as well. Cars may be weighed following any timed qualifying session, provided that all cars in the class that participated in the session are weighed. Each club is to make sure the scales are accurate and in good working order throughout the racing event. Scales shall be manned by competent personnel of the sponsoring club at least one hour before and during all timed qualifying sessions and one hour before and during all racing sessions. Failure of finishers designated by the Race Steward to report directly to the scales at the end of their race will result in disqualification. All cars except Formula, Super Production and Sports Racers are strongly encouraged to display an ICSCC Minimum Race Weight Sticker or an appropriate substitute as per ICSCC Competition Regulation 1106L. Any car required to weigh at the end of a race that does not meet the required minimum weight, will be disqualified |
